Field sessions in outstanding fall migration and overwintering areas present these birds in their natural habitats.	0115.00* - Natural Resources Formerly: 0408.00	There is intense interest in our natural heritage of birds today. After hiking, camping and fishing, birding is one of the top outdoor activities in the U.S. and in many parts of the world. People want to know about wild birds to appreciate them more and also to work knowledgeably to conserve them and their habitats. A similar course on waterbirds was offered in Fall 2000 and had good enrollments.	Units Hours TOP code CB09 D; formerly E MCCC Approved 10/8/2020	n/a		Merritt Only		Endorsed
