Merritt	MC Program Modification	Online Teaching and Course Design Formerly: Online Teaching	Certificate of Proficiency	Fall 2022	EDT	0860.00* - Educational Technology	<p>Online Teaching Certificate of Proficiency was missing from curriquet but has been represented in the Merritt College catalog for years. This "New" program proposal contains several updates: -New Title -Addition of 2 new course requirements (EDT 7, EDT8)</p> <p>This program prepares participants to develop and facilitate online and hybrid learning experiences in a variety of educational settings, including community college and four year institutions. As distance education evolves to include equity and quality course design standards, this program will provide a structured platform for participants to develop their online teaching and course design competencies. The courses in the program will also help participants to meet institutional goals in terms of equity as well as remain competitive within the California Virtual Campus.</p>	MCCC approved 10/14/2021		Endorsed
Merritt	MC Program Modification	Conservation and Resource Management	Certificate of Achievement	Fall 2022	ENVMT	0115.00* - Natural Resources	<ol style="list-style-type: none"> 1. MC Course Modification	LANHT	840	Cultivating Cannabis for the Home Gardener	Spring 2022	05.5	5.5 lecture .52 lab Formerly: 14.5 lecture 1.52 lab	P/NP	n/a	Best practices for the cannabis home gardener for recreational use: Outdoor and greenhouse cultivation in soil or containers. Plants used shall be cultivars of Cannabis sativa meeting the legal definition of "industrial hemp" of having no more than three-tenths of 1 percent tetrahydrocannabinol (THC).	0109.00*	On election day 2016, the people of the state of California enacted Proposition 64, which legalized recreational use of cannabis, and allowed all adults over the age of 21 to cultivate up to 6 plants for recreational use in their home as of Jan 1, 2018. This fee based class will educate and inform students of the best practices for the cannabis home gardener for recreational use. The need for this class is critical as it will educate students about safe and sustainable practices for the expected phenomenal growth of cannabis use and the cannabis industry in California.	update hours New DE addendum MCCC approved 5/13/2021	New DE addendum (regular and emergency FO)	Information Only
