Community Safety (510) 466-7236

Quick Guide – District Service Center

Your Role

1. Recognize when something feels off
2. Report it to Community Safety
3. Stay safe and avoid direct intervention

When Should You Call?

1. Suspicious or unusual behavior
2. Escalating interactions
3. Unauthorized individuals
4. Anything that feels unsafe

What to Share

1. Location
2. Description
3. What's happening
4. When it started

What NOT to Do

1. Do not physically intervene
2. Do not escalate
3. Do not assume someone else reported it

Key Reminder

1. If something feels off, trust your instincts
2. You don't have to figure it out alone
