Fiscal Year 2025/26 Levy Summary Report For:

Measure E Special Parcel Tax

December 2025

FISCAL YEAR 2025/26 LEVY SUMMARY

On June 4, 2012, the voters of the Peralta Community College District (the “District”) approved Measure B, which authorized the District to levy a parcel tax of \$48 per parcel for eight years. On November 6, 2018, the voters of the District, by approximately 82% of the votes, approved the Measure E Special Parcel Tax (the “Parcel Tax”), authorizing the renewal of the parcel tax. The Measure E Parcel Tax began in Fiscal Year 2020/21 and will continue for a period of eight years, ending in Fiscal Year 2027/28. The Parcel Tax was approved to protect and maintain core academic programs including Math, Science, and English; training students for careers; and preparing students to transfer to four-year universities.

The District manager for this effort is Marla Williams-Powell who can be reached by phone, at 510-466-7220 or by email, at mwpowell@peralta.edu. The Parcel Tax is calculated and administered by NBS, the Parcel Tax Administrator. Actual collection of the Parcel Tax is done through the Alameda County Tax Collector.

PROCESS OVERVIEW AND TIMELINE

The Parcel Tax is calculated at a rate of \$48.00 dollars per parcel. The tracking of parcel data and calculation thereof is done by the Parcel Tax Administrator. The Alameda County Property Tax bills include a line item for this Parcel Tax, with the 18-character description of “Peralta CCD Measure E” and the NBS toll-free phone number printed for questions or information. Property owners are directed to a special toll-free number (800) 792-8021 with a recorded message about the Parcel Tax, and the (800) 676-7516 number will be given at the end for further inquiry. Interested parties may go to www.myparceltax.com/peralta for information at any time. Any inquiries about the Parcel Tax that come directly to the District offices can be directed to NBS at (888) 892-2480.

The Parcel Tax revenues are collected in a manner known as the general method, with direct collections incorporating delinquencies but also penalties and interest as they are paid. The alternative method is called the Teeter Plan, whereby the District would receive 100% of the Parcel Taxes levied via Alameda County per a defined schedule during the fiscal year. Under the Teeter Plan, Alameda County manages all delinquencies and retains any penalties and interest thereon. The District may request to be included in the Teeter Plan at their discretion.

The overall timeline is outlined below. All activities are performed by NBS unless stated otherwise.

- **January – February:** Review first tax installment data and delinquencies.
- **February – April:** Parcel research and analysis.
- **May – June:** Review second tax installment data and delinquencies. Alameda County forwards a second installment of Parcel Tax revenues.
- **June:** Compile draft levy database. Alameda County forwards remaining Parcel Tax revenues.
- **July:** Finalize Parcel Tax levies.
- **August:** Submit tax roll to Alameda County Auditor Controller (due not later than August 10).
- **September:** Finalize handling of rejected parcels (if any).
- **October:** Begin to respond to property owner inquiries (occurs year-round). Provide Final Annual Levy Report.
- **November:** Respond to property owner inquiries (occurs year-round)
- **December:** NBS attends Board Meeting if desired. Alameda County forwards the first portion of Parcel Tax revenues.

PARCEL TAX METHODOLOGY

Per the approved Resolution No. 18/19-06, the Parcel Tax shall be levied for eight (8) years as follows:

1. All parcels, defined as any unit of land located wholly or partly in the District that receives a separate tax bill from the County of Alameda, shall be taxed at the rate of \$48.00 per parcel.
2. This tax shall be levied each year for eight years, starting with the 2020/21 tax year and concluding with the 2027/28 tax year.
3. All property that would otherwise be exempt from property taxes will also be exempt from the imposition of the Parcel Tax.

Note that this is a summary of the information within this Resolution, and further inquiries should be directed to the original Resolution.

Optional Exemptions and Refunds

Optional exemptions from the Parcel Tax for contiguous parcels are described as follows:

The contiguous parcel exemption allows a property owner to combine adjacent parcels (parcels that share a common border) into one taxable unit. These combined parcels must also be used solely for owner-occupied, single-family residential purposes.

Any homeowner eligible for the exemptions listed above may apply with NBS, the Parcel Tax Administrator, at (800) 676-7516 for an exemption. The property owner must make contact as soon as possible, but in any case, within one year from the receipt of the tax bill. NBS will review the application and discuss it with the District manager, or designee.

Any homeowner already receiving the contiguous parcel exemption from the Parcel Tax does not need to reapply every year.

Note: all completed applications must be received by June 30th, to be eligible for exemption for the following tax year.

To apply for a refund for the current fiscal year:

1. Pay your current tax bill in full.
2. Request a refund form by calling NBS, the Parcel Tax Administrator, at (800) 676-7516.
3. Submit the completed refund form and requested documents.
