Combined Dental Evidence of Coverage and Disclosure Form

This *Evidence of Coverage* ("*EOC*") sets forth your rights and obligations as a Covered Person. It is important that you READ YOUR EOC CAREFULLY and familiarize yourself with its terms and conditions.

The Contract may require that the Subscriber contribute to the required Premiums. Information regarding the Premium and any portion of the Premium cost a Subscriber must pay can be obtained from the Enrolling Group.

Dental Benefit Providers of California, Inc. ("Company") agrees with the Enrolling Group to provide Coverage for Dental Services to Covered Persons, subject to the terms, conditions, exclusions and limitations of the Contract. The Contract is issued on the basis of the Enrolling Group's application and payment of the required Contract Charges. The Enrolling Group's application is made a part of the Contract.

The Company will not be deemed or construed as an employer for any purpose with respect to the administration or provision of benefits under the Enrolling Group's benefit plan. The Company will not be responsible for fulfilling any duties or obligations of an employer with respect to the Enrolling Group's benefit plan.

The Contract will take effect on the date specified in the Contract and will be continued in force by the timely payment of the required Contract Charges when due, subject to termination of the Contract as provided. All Coverage under the Contract will begin at 12:01 a.m. and end at 12:00 midnight at the Enrolling Group's address.

This combined Evidence of Coverage and Disclosure Form constitutes only a summary of the dental plan. The dental plan Contract must be consulted to determine the exact terms and conditions of coverage.

The Contract is delivered in and governed by the laws of the State of California.

Please review both the Schedule of Benefits as to benefits, copayments, coinsurance, limitations and the Evidence of Coverage for details as to the benefits, including exclusions to coverage.

Introduction

You and any of your Enrolled Dependents, are eligible for Coverage under the Contract if the required Premiums have been paid. The Contract is referred to in this *EOC* as the "Contract" and is designated on the identification ("ID") card.

Coverage is subject to the terms, conditions, exclusions, and limitations of the Contract. As an *EOC*, this document describes the provisions of Coverage under the Contract but does not constitute the Contract. You may examine the entire Contract at the office of the Enrolling Group during regular business hours.

For Dental Services rendered after the effective date of the Contract, this *EOC* replaces and supersedes any *EOC*, which may have been previously issued to you by the Company. Any subsequent *EOC's* issued to you by the Company will in turn supersede this *EOC*.

The employer expects to continue the group plan indefinitely. But the employer reserves the right to change or end it at any time. This would change or end the terms of the Contract in effect at that time for active employees.

How To Use This EOC

This *EOC* should be read and re-read in its entirety. Many of the provisions of this *EOC* and the attached *Schedule of Covered Dental Services* are interrelated; therefore, reading just one or two provisions may not give you an accurate impression of your Coverage.

Your *EOC* and *Schedule of Covered Dental Services* may be modified by the attachment of Riders and/or Amendments. Please read the provision described in these documents to determine the way in which provisions in this *EOC* or *Schedule of Covered Dental Services* may have been changed.

Many words used in this *EOC* and *Schedule of Covered Dental Services* have special meanings. These words will appear capitalized and are defined for you in *Section 1: Definitions*. By reviewing these definitions, you will have a clearer understanding of your *EOC* and *Schedule of Covered Dental Services*.

When we use the words "we," "us," and "our" in this document, we are referring to Dental Benefit Providers of California, Inc. When we use the words "you" and "your" we are referring to people who are Covered Persons as the term is defined in *Section 1: Definitions*.

From time to time, the Contract may be amended. When that happens, a new *EOC*, *Schedule of Covered Dental Services* or Amendment pages for this *EOC* or *Schedule of Covered Dental Services* will be sent to you. Your *EOC* and *Schedule of Covered Dental Services* should be kept in a safe place for your future reference.

Dental Services Covered Under the Contract

In order for Dental Services to be Covered you must obtain all Dental Services directly from or through a Participating Dentist.

You must always verify the participation status of a Dentist prior to seeking services. From time to time, the participation status of a Dentist may change. You can verify the participation status by calling the Company and/or Dentist. If necessary, the Company can provide assistance in referring you to Participating Dentists. If you use a Dentist that is not a Participating Dentist, you will be required to pay the entire bill for the services you received.

Only Necessary Dental Services are Covered under the Contract. The fact that a Dentist has performed or prescribed a procedure or treatment, or the fact that it may be the only available treatment, for a dental disease does not mean that the procedure or treatment is Covered under the Contract.

The Company has discretion in interpreting the benefits Covered under the Contract and the other terms, conditions, limitations and exclusions set out in the Contract and in making factual determinations related to the Contract and its benefits. The Company may, from time to time, delegate discretionary authority to other persons or entities providing services in regard to the Contract.

The Company reserves the right to change, interpret, modify, withdraw or add benefits or terminate the Contract, as permitted by law, without the approval of Covered Persons. No person or entity has any authority to make any oral changes or amendments to the Contract.

The Company may, in certain circumstances for purposes of overall cost savings or efficiency, provide Coverage for services, which would otherwise not be Covered. The fact that the Company does so in any particular case will not in any way be deemed to require it to do so in other similar cases.

The Company may arrange for various persons or entities to provide administrative services in regard to the Contract, including claims processing and utilization management services. The identity of the service providers and the nature of the services provided may be changed from time to time and without prior notice to or approval by Covered Persons. You must cooperate with those persons or entities in the performance of their responsibilities.

Similarly, the Company may, from time to time, require additional information from you to verify your eligibility or your right to receive Coverage for services under the Contract. You are obligated to provide this information. Failure to provide required information may result in Coverage being delayed or denied.

Important Note About Services

The Company does not provide Dental Services or practice dentistry. Rather, the Company arranges for providers of Dental Services to participate in a Network. Participating Dentists are independent practitioners and are not employees of the Company. The Company compensates its' providers using direct reimbursement, discounted fee for service, fee for service and capitation. The dentist also receives compensation from Company enrollees who pay a defined "Copayment" for specific Dental Services. In addition, there may be occasions when a program may provide supplemental payments for specific Dental Procedures. These arrangements may include financial incentives to promote the delivery of dental care in a cost efficient and effective manner. Such financial incentives are not intended to impact your access to Necessary Dental Services.

The payment methods used to pay any specific Participating Dentist vary. The method may also change at the time providers renew their contracts with the Company. If you have questions about whether there are any financial incentives in your Participating Dentist's contract with the Company, please contact the Company at the telephone number on your ID card. The Company can advise you whether your Participating Dentist is paid by any financial incentive, however, the specific terms, including rates of payment, are confidential and cannot be disclosed.

The Dentist-patient relationship is between you and your Dentist. This means that:

- You are responsible for choosing your own Dentist.
- You must decide if any Dentist treating you is right for you. This includes Participating Dentists who you choose or providers to whom you have been referred.
- You must decide with your Dentist what care you should receive.
- Your Dentist is solely responsible for the quality of the care you receive.

The Company makes decisions about eligibility and if a benefit is a Covered benefit under the Contract. These decisions are administrative decisions. The Company is not liable for any act or omission of a provider of Dental Services.

Important Information Regarding Medicare

If, in addition to being enrolled for Coverage under the Contract, you are enrolled in a Medicare Prescription Drug (Medicare Part D) plan through either a *Medicare Advantage* plan with a prescription drug benefit (MA-PD), a special-needs plan (SNP-PD) or a stand alone Prescription Drug Plan (PDP), you must follow all rules of that plan that require you to seek services from that plan's participating pharmacies. When this Company is the secondary payer, we will pay any benefits available to you under the Contract as if you had followed all rules of the Medicare Part D plan. If this Company is the secondary plan and you don't follow the rules of the Medicare Part D plan, you will incur a larger out of pocket cost for prescription drugs.

Identification ("ID") Card

You must show your ID card every time you request Dental Services. If you do not show your card, the providers have no way of knowing that you are Covered under a Contract issued by the Company and you may receive a bill.

Contact the Company

Throughout this *EOC* you will find statements that encourage you to contact the Company for further information. Whenever you have a question or concern regarding Dental Services or any required procedure, please contact the Company at the telephone number stated on your ID card.

Translation Service

The Company uses a telephone translation service for almost 140 languages and dialects. That is in addition to select Customer Service representatives who are fluent in Spanish.

Section 2.1 Enrollment

Eligible Persons may enroll themselves and their Dependents for Coverage under the Contract during the Initial Eligibility Period or during an Open Enrollment Period by submitting a form provided or approved by the Company. In addition, new Eligible Persons and new Dependents may be enrolled as described below. Dependents of an Eligible Person may not be enrolled unless the Eligible Person is also enrolled for Coverage under the Contract.

If you enroll for Coverage under the Contract, you must remain enrolled for a period of 12 months. If you disenroll at the end of any 12 month period, you must wait 12 months until you are again eligible for Coverage.

If both spouses are Eligible Persons of the Enrolling Group, each may enroll as a Subscriber or be Covered as an eligible Dependent of the other, but not both. If both parents of an eligible Dependent child are enrolled as a Subscriber, only one parent may enroll the child as a Dependent.

Section 2.2 Effective Date of Coverage

In no event is there Coverage for Dental Services rendered or delivered before the effective date of Coverage.

If an Eligible Person enrolls during the Initial Eligibility Period, Coverage is effective on the first day of the Contract month following the month in which the Eligible Person joins the Enrolling Group.

Section 2.3 Coverage for a Newly Eligible Person

Coverage for you and any of your Dependents will take effect on the date agreed to by the Enrolling Group and the Company. Coverage is effective only if the Company receives any required Premium and a properly completed enrollment form within 31 days of the date you first become eligible.

Section 2.4 Coverage for a Newly Eligible Dependent

Coverage for a new Dependent acquired by reason of birth, legal adoption, legal guardianship, placement for adoption, court or administrative order, or marriage will take effect on the date of the event. Coverage is effective only if the Company receives any required Premium and is notified of the event within 31 days.

Section 2.5 Change in Family Status

You may make Coverage changes during the year for any Dependent whose status as a Dependent is affected by a marriage, divorce, legal separation, annulment, birth, legal guardianship, placement for adoption or adoption, as required by federal law. In such cases you must submit the required contribution of coverage and a properly completed enrollment form within 31 days of the marriage, birth, placement for adoption or adoption. Otherwise, you will need to wait until the next annual Open Enrollment Period.

Section 2.6 Special Enrollment Period

An Eligible Person and/or Dependent who did not enroll for Coverage under the Contract during the Initial Eligibility Period or Open Enrollment Period may enroll for Coverage during a special enrollment period. A special enrollment period is available if the following conditions are met: (a.) the Eligible Person and/or Dependent had existing health coverage under another plan at the time of the Initial Eligibility Period or

Open Enrollment Period; and (b.) Coverage under the prior plan was terminated as a result of loss of eligibility (including, without limitation, legal separation, divorce or death), termination of employer contributions, or in the case of COBRA continuation coverage, the coverage was exhausted. A special enrollment period is not available if coverage under the prior plan was terminated for cause or as a result of failure to pay Premiums on a timely basis. Coverage under the Contract is effective only if the Company receives any required Premium and a properly completed enrollment form within 31 days of the date coverage under the prior plan terminated. A special enrollment period is also available for an Eligible Person and for any Dependent whose status as a Dependent is affected by a marriage, birth, placement for adoption or adoption, as required by federal law. In such cases you must submit the required Premium and a properly completed enrollment form within 31 days of the marriage, birth, placement for adoption or adoption.

Section 3: Termination of Coverage

Section 3.1 Conditions for Termination of a Covered Person's Coverage Under the Contract

The Company may, at any time, discontinue this benefit plan and/or all similar benefit plans for the reasons specified in the Contract. When your Coverage terminates, you may have continuation as described in *Section 9: Continuation of Coverage* or as provided under other applicable federal and/or state law.

Your Coverage, including Coverage for Dental Services rendered after the date of termination for dental conditions arising prior to the date of termination, will automatically terminate on the earliest of the dates specified below.

A. The date the entire Contract is terminated, as specified in the Contract. The Enrolling Group is responsible for notifying you of the termination of the Contract.

B. The last day of the calendar month in which you cease to be eligible as a Subscriber or Enrolled Dependent.

C. The date the Company receives written notice from either the Subscriber or the Enrolling Group instructing the Company to terminate Coverage of the Subscriber or any Covered Person or the date requested in such notice, if later.

D. The date the Subscriber is retired or pensioned under the Enrolling Group's plan, unless a specific Coverage classification is specified for retired or pensioned persons in the Enrolling Group's application and the Subscriber continues to meet any applicable eligibility requirements.

When any of the following apply, the Company will provide written notice of termination to the Subscriber.

E. The date specified by the Company that all Coverage will terminate due to fraud or misrepresentation or because the Subscriber knowingly provided the Company with false material information, including, but not limited to, false, material information relating to residence, information relating to another person's eligibility for Coverage or status as a Dependent. The Company has the right to rescind Coverage back to the effective date.

F. The date specified by the Company that all Coverage will terminate because the Subscriber permitted the use of his or her ID card by any unauthorized person or used another person's card.

G. The date specified by the Company that Coverage will terminate due to material violation of the terms of the Contract.

H. The date specified by the Company that your Coverage will terminate because you failed to pay a required Copayment.

I. The date specified by the Company that your Coverage will terminate because you have committed acts of physical or verbal abuse which pose a threat to the Company staff, a provider, or other Covered Persons.

Section 3.2 Extended Coverage for Handicapped Dependent Children

Coverage of an unmarried Enrolled Dependent who is incapable of self-support because of a physically or mentally disabling injury, illness or condition, will be continued beyond the age listed under the definition of Dependent provided that:

A. the Enrolled Dependent is chiefly dependent upon the Subscriber for support and maintenance; and

B. proof of such incapacity and dependence is furnished to the Company within 60 days of the date the Subscriber receives a request for such proof from the Company; and

C. payment of any required Premium for the Enrolled Dependent is continued.

You will be notified 90 days prior to the Enrolled Dependent's attainment of the limiting age.

If the Company fails to make the determination prior to the Enrolled Dependent attaining the limiting age, the Company shall continue coverage of the child pending its receipt of the necessary documentation requested, and until a determination has been made and the member is so advised Coverage will be continued so long as the Enrolled Dependent continues to be so incapacitated and dependent, unless otherwise terminated in accordance with the terms of the Contract. The Company may reasonably request information about the Enrolled Dependent's continued incapacity and dependency, but not sooner than two years after attainment of the limiting age and not more frequently than annually after that.

Section 3.3 Services in Progress When Coverage Ends

A Covered Person may have Dental Services already in progress when Coverage under this plan ends. Most services that are started but not completed prior to the date Coverage ends will be completed by the Participating Dentist under the terms of the plan.

Inlays, onlays and fixed bridges are considered started when the tooth or teeth are prepared. Root canal treatment is considered started when the pulp chamber is opened. Dentures are considered started when the impressions are taken. When one of these services is begun before Coverage ends, the Covered Person may have the service completed for the Covered Person Copayment identified in the Schedule of Covered Dental Services.

If comprehensive orthodontic treatment is in progress on the date Coverage ends, the Network orthodontist may prorate his or her usual fee over the remaining months of treatment. The Covered Person is responsible for all payments to the Network orthodontist for services after the termination date.

Section 3.4 Extended Coverage

A 30 day temporary extension of Coverage, only for the services shown below when given in connection with a Procedure in Progress, will be granted to a Covered Person on the date the person's Coverage is terminated if termination is not voluntary. Benefits will be extended until the earlier of: (a.) the end of the 30 day period; or (b.) the date the Covered Person becomes covered under a succeeding contract or contract providing coverage or services for similar dental procedures.

Benefits will be Covered for: (a.) a Procedure in Progress or Dental Procedure that was recommended in writing and began, in connection with a specific dental disease of a Covered Person while the Contract was in effect, by the attending Dentist; (b.) an appliance, or modification to an appliance, for which the impression was taken prior to the termination of Coverage; or (c.) a crown, bridge or gold restoration, for which the tooth was prepared prior to the termination of Coverage.

Section 3.5 Reinstatement of the Contract After Termination

If your Coverage is terminated for nonpayment, the Company shall reinstate the Coverage as though it had never been terminated if such payment is received on or before the due date of the succeeding prepaid or periodic payment.

The Company shall not reinstate the Coverage if one of the following exceptions exist:

1. In the notice of termination, the Company notifies you that if payment is not received within 15 days of issuance of the notice of termination, a new application is required and the conditions under which a new Contract will be issued or the original contract reinstated; or

2. If such payment is received more than 15 days after issuance of the notice of termination, the plan refunds such payment within 20 business days; or

3. If such payment is received more than 15 days after issuance of the notice of termination, the plan issues to you, within 20 business days of receipt of such payment, a new Contract accompanied by written notice stating clearly those respects in which the new Contract differs from the cancelled Contract in benefits, coverage or otherwise.

Section 4: Reimbursement

Section 4.1 If You Get A Bill

Your Participating Dentist will bill you for services that are not Covered by this dental plan. If you are billed for a Covered Service by your Participating Dentist, and you feel this billing is in error, you should do the following:

1. Call the Participating Dentist to let them know you believe you have received a bill in error.
2. If you are unable to resolve this issue, please contact our customer service department at the telephone number shown on your ID card.

Should we pay any fees for services that are the responsibility of the Subscriber, the Subscriber shall reimburse us for such payment. Failure to reimburse us or reach reasonable accommodations with us concerning repayment within 30 days after we request for reimbursement shall be grounds for termination of a Subscriber's membership pursuant to *Section 3: Termination of Coverage*. The exercise of our right to terminate the Subscriber shall not affect the plan's right to continue enforcement of its right to reimbursement from the Subscriber.

Section 4.2 Your Billing Protection

All our Subscribers have rights that protect them from being charged for Covered Services in the event we fail to pay a Participating Dentist, a Participating Dentist becomes insolvent, or a Participating Dentist breaches its contract with us. In none of these instances may the Participating Dentist send you a bill, charge you, or have any other recourse against you for a Covered Service. However, this provision does not prohibit the collection of Copayment amounts as outlined in the *Schedule of Covered Dental Services*.

In the event of a Participating Dentist's insolvency, we will continue to arrange for your benefits. If for any reason we are unable to pay for a Covered Service on your behalf (for instance, in the unlikely event of our insolvency or a natural disaster), you are not responsible for paying any bills as long as you received proper authorization from your Participating Dentist. You may, however, be responsible for any properly authorized Covered Services from a Non-Participating Dentist or Emergency services from a Non-Participating Dentist.

NOTE: If you receive a bill because a Non-Participating Dentist refused to accept payment from us, you may submit a claim for reimbursement.

Section 5: Complaint Procedures

Section 5.1 Complaint Resolution

If you have a concern or question regarding the provision of Dental Services or benefits under the Contract, you should contact the Company's customer service department at the telephone number shown on your ID card. Customer service representatives are available to take your call during regular business hours, Monday through Friday. At other times, you may leave a message on voicemail. A customer service representative will return your call. If you would rather send your concern to us in writing at this point, the Company's authorized representative can provide you with the appropriate address.

If your complaint relates to a claim for payment, your request should include:

- The patient's name and the identification number from the ID card
- The date(s) of service(s)
- The provider's name
- The reason you believe the claim should be paid
- Any new information to support your request for claim payment

We will notify you of our decision regarding your complaint within 30 days of receiving it.

Section 5.2 Exceptions for Emergency Situations

Your complaint requires immediate actions when your Dentist judges that a delay in treatment would significantly increase the risk to your health. In these urgent situations:

- The appeal does not need to be submitted in writing. You or your Dentist should call us as soon as possible.
- We will notify you of the decision by the end of the next business day after your complaint is received, unless more information is needed.
- If we need more information from your Dentist to make a decision, we will notify you of the decision by the end of the next business day following receipt of the required information.

The complaint process for urgent situations does not apply to prescheduled treatments or procedures that we do not consider urgent situations.

Section 5.3 Contacting the California Department of Managed Health Care

If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the California Department of Managed Health Care for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services.

Section 6: General Provisions

Section 6.1 Entire Contract

The Contract issued to the Enrolling Group, including the *EOC(s)*, *Schedule(s) of Covered Dental Services*, the Enrolling Group's application, Amendments and Riders, constitute the entire Contract. All statements made by the Enrolling Group or by a Subscriber will, in the absence of fraud, be deemed representations and not warranties.

Section 6.2 Limitation of Action

You do not have the right to bring any legal proceeding or action against the Company without first completing the complaint procedure specified in *Section 5: Complaint Procedures*. If you do not bring such legal proceeding or action against the Company within 3 years of the date the Company notified you of its final decision as described in *Section 5: Complaint Procedures*; you forfeit your rights to bring any action against the Company.

Section 6.3 Time Limit on Certain Defenses

No statement, except a fraudulent statement, made by the Enrolling Group will be used to void the Contract after it has been in force for a period of 2 years.

Section 6.4 Amendments and Alterations

Amendments to the Contract are effective upon 31 days written notice to the Enrolling Group. Riders are effective on the date specified by the Company. No change will be made to the Contract unless it is made by an Amendment or a Rider that is signed by an officer of the Company. No agent has authority to change the Contract or to waive any of its provisions.

Section 6.5 Relationship Between Parties

The relationships between the Company and Participating Dentists and relationships between the Company and Enrolling Groups, are solely contractual relationships between independent contractors. Participating Dentists and Enrolling Groups are not agents or employees of the Company, nor is the Company or any employee of the Company an agent or employee of Participating Dentists or Enrolling Groups.

The relationship between a Participating Dentist and any Covered Person is that of provider and patient. The Participating Dentist is solely responsible for the services provided to any Covered Person.

The relationship between the Enrolling Group and Covered Persons is that of employer and employee, Dependent or other Coverage classification as defined in the Contract. The Enrolling Group is solely responsible for enrollment and Coverage classification changes (including termination of a Covered Person's Coverage through the Company), for the timely payment of the Contract Charge to the Company, and for notifying Covered Persons of the termination of the Contract.

Section 6.6 Information and Records

At times the Company may need additional information from you. You agree to furnish the Company with all information and proofs that the Company may reasonably require regarding any matters pertaining to the Contract. If you do not provide this information when the Company requests it we may delay or deny payment of your Benefits.

By accepting Benefits under the Contract, you authorize and direct any person or institution that has provided services to you to furnish the Company with all information or copies of records relating to the services provided to you. The Company has the right to request this information at any reasonable time. This applies to all Covered Persons, including Enrolled Dependents whether or not they have signed the Subscriber's enrollment form. The Company agrees that such information and records will be considered confidential.

The Company has the right to release any and all records concerning dental care services which are necessary to implement and administer the terms of the Contract, for appropriate review or quality assessment, or as the Company is required to do by law or regulation. During and after the term of the Contract, the Company and its related entities may use and transfer the information gathered under the Contract in a de-identified format for commercial purposes, including research and analytic purposes.

For complete listings of your dental records the Company recommends that you contact your Dentist. Dentists may charge you reasonable fees to cover their costs for providing records or completing requested forms.

If you request dental forms or records from us, the Company also may charge you reasonable fees to cover costs for completing the forms or providing the records.

In some cases, the Company will designate other persons or entities to request records or information from or related to you, and to release those records as necessary. The Company's designees have the same rights to this information as the Company has.

Section 6.7 ERISA

When the Contract is purchased by the Enrolling Group to provide benefits under a welfare plan governed by the Employee Retirement Income Security Act 29 U.S.C. §1001 et seq., the Company is not the plan administrator or named fiduciary of the welfare plan, as those terms are used in ERISA.

Section 6.8 Examination of Covered Persons

In the event of a question or dispute concerning Coverage for Dental Services, the Company may reasonably require that a Participating Dentist acceptable to the Company examine you at the Company's expense.

Section 6.9 Clerical Error

If a clerical error or other mistake occurs, that error will not deprive you of Coverage under the Contract. A clerical error also does not create a right to benefits.

Section 6.10 Notice

When the Company provides written notice regarding administration of the Contract to an authorized representative of the Enrolling Group, that notice is deemed notice to all affected Subscribers and their Enrolled Dependents. The Enrolling Group is responsible for giving notice to Covered Persons.

Section 6.11 Workers' Compensation Not Affected

The Coverage provided under the Contract does not substitute for and does not affect any requirements for coverage by workers' compensation insurance.

Section 6.12 Conformity with Statutes

Any provision of the Contract which, on its effective date, is in conflict with the requirements of state or federal statutes or regulations (of the jurisdiction in which delivered) is hereby amended to conform to the minimum requirements of such statutes and regulations.

Section 6.13 Waiver/Estoppel

Nothing in the Contract, *EOC* or *Schedule of Covered Dental Services* is considered to be waived by any party unless the party claiming the waiver receives the waiver in writing. A waiver of one provision does not constitute a waiver of any other. A failure of either party to enforce at any time any of the provisions of the Contract, *EOC* or *Schedule of Covered Dental Services*, or to exercise any option which is herein provided, shall in no way be construed to be a waiver of such provision of the Contract, *EOC* or *Schedule of Covered Dental Services*.

Section 6.14 Headings

The headings, titles and any table of contents contained in the Contract, *EOC* or *Schedule of Covered Dental Services* are for reference purposes only and shall not in any way affect the meaning or interpretation of the Contract, *EOC* or *Schedule of Covered Dental Services*.

Section 6.15 Unenforceable Provisions

If any provision of the Contract, *EOC* or *Schedule of Covered Dental Services* is held to be illegal or unenforceable by a court of competent jurisdiction, the remaining provisions will remain in effect and the illegal or unenforceable provision will be modified so as to conform to the original intent of the Contract, *EOC* or *Schedule of Covered Dental Services* to the greatest extent legally permissible.

Section 7: Individual Continuation of Coverage

Section 7.1 Continuation Coverage

A Covered Person whose Coverage would otherwise end under the Contract may be entitled to elect continuation Coverage in accordance with federal law (under COBRA) and as outlined in *Sections 8.2 through 8.5* below or in accordance with state law and as outlined in *Section 8.6* below.

Continuation Coverage under COBRA will be available only to Enrolling Groups which are subject to the provisions of COBRA. Covered Persons should contact the Enrolling Group's plan administrator to determine if he or she is entitled to continue Coverage under COBRA.

Continuation Coverage for Covered Persons who selected continuation coverage under a prior plan which was replaced by Coverage under the Contract will terminate as scheduled under the prior plan or in accordance with the terminating events set forth in *Section 8.5* below, whichever is earlier.

In no event will the Company be obligated to provide continuation Coverage to a Covered Person if the Enrolling Group or its designated plan administrator fails to perform its responsibilities under federal law. These responsibilities include but are not limited to notifying the Covered Person in a timely manner of the right to elect continuation Coverage and notifying the Company in a timely manner of the Covered Person's election of continuation Coverage.

The Company is not the Enrolling Group's designated plan administrator and does not assume any responsibilities of a plan administrator pursuant to federal law.

A Covered Person whose Coverage would otherwise end under the Contract may be entitled to elect continuation Coverage in accordance with federal law, as outlined in *Sections 8.2 through 8.5* below.

Section 7.2 Continuation Coverage Under Federal Law

In order to be eligible for continuation Coverage under federal law, the Covered Person must meet the definition of a "Qualified Beneficiary". A Qualified Beneficiary is any of the following persons who were covered under the plan on the day before a Qualifying Event:

- A Subscriber.
- A Subscriber's Enrolled Dependent, including with respect to the Subscriber's children, a child born to or placed in adoption with a Subscriber during a period of continuation of Coverage, or
- A Subscriber's former spouse.

Section 7.3 Qualifying Events for Continuation Coverage Under Federal Law

If a Qualified Beneficiary's Coverage will ordinarily terminate due to one of the following Qualifying Events, he or she is entitled to continue Coverage. The Qualified Beneficiary is entitled to elect to continue the same Coverage that he or she had at the time of the Qualifying Event.

A. Termination of the Subscriber from employment with the Enrolling Group (for any reason other than gross misconduct) or reduction of hours; or

B. Death of the Subscriber; or

C. Divorce or legal separation of the Subscriber; or

D. Loss of eligibility by an Enrolled Dependent who is a child; or

E. Entitlement of the Subscriber to Medicare benefits; or

F. The Enrolling Group filing for bankruptcy, under Title XI, United States Code, on or after July 1, 1986, but only for a retired Subscriber and his or her Enrolled Dependents. This is also a qualifying event for any retired Subscriber and his or her Enrolled Dependents if there is a substantial elimination of Coverage within one year before or after the date the bankruptcy was filed.

Section 7.4 Notification Requirements and Election Period for Continuation Coverage Under Federal Law

The Subscriber or Qualified Beneficiary must notify the Enrolling Group's designated plan administrator within 60 days of his or her divorce, legal separation or an Enrolled Dependent's loss of eligibility as an Enrolled Dependent. If the Subscriber or Qualified Beneficiary fails to notify the designated plan administrator of these events within the 60 day period the Enrolling Group and its plan administrator are not obligated to provide continuation Coverage to the affected Qualified Beneficiary. A Subscriber who is continuing Coverage under Federal Law must notify the Enrolling Group's designated plan administrator within 60 days of the birth or adoption of a child.

Continuation must be elected by the later of 60 days after the Qualifying Event occurs; or 60 days after the Qualified Beneficiary receives notice of the continuation right from the Enrolling Group's designated plan administrator.

A Qualified Beneficiary whose Coverage was terminated due to a qualifying event must pay the initial Premium due to the Enrolling Group's designated plan administrator on or before the 45th day after electing continuation.

Section 7.5 Terminating Events for Continuation Coverage Under Federal Law

Continuation under the Contract will end on the earliest of the following dates:

A. Eighteen months from the date of a Qualifying Event for a Qualified Beneficiary whose Coverage would have otherwise ended due to termination of employment (for reasons other than gross misconduct) or a reduction in hours. A Qualified Beneficiary who is determined to be disabled at the time during the first 60 days of continuation Coverage may extend continuation Coverage to a maximum of 29 months from the date of the Qualifying Event described in *Section 8.3*. If the Qualified Beneficiary entitled to the additional 11 months of Coverage has non-disabled family members who are also entitled to continuation Coverage, those non-disabled family members are also entitled to the additional 11 months of continuation Coverage.

   A Qualified Beneficiary who is determined to have been disabled within the first 60 days of continuation Coverage for Qualifying Event (A.) must provide notice of such disability within 60 days after the determination of the disability, and in no event later than the end of the first 18 months, in order to extend Coverage beyond 18 months. If such notice is provided, the Qualified Beneficiary's Coverage may be extended up to a maximum of 29 months from the date of the Qualifying Event described in *Section 8.3*. A or until the first month that begins more than 30 days after the date of any final determination that the Qualified Beneficiary is no longer disabled. Each Qualified Beneficiary must provide notice of any final determination that the Qualified Beneficiary is no longer disabled within 30 days of such determination.

B. Thirty-six months from the date of the Qualifying Event for an Enrolled Dependent whose Coverage ended because of the death of the Subscriber, divorce or legal separation of the Subscriber, loss of eligibility by an Enrolled Dependent who is a child, in accordance with qualifying events (B.), (C.), or (D.) described in *Section 8.3*.

C. For the Enrolled Dependents of a Subscriber who was entitled to Medicare prior to a Qualifying Event that was due to either the termination of employment or work hours being reduced, eighteen months from the date of the Qualifying Event, or if later, 36 months from the date of the Subscriber's Medicare entitlement.

D. The date Coverage terminates under the Contract for failure to make timely payment of the Premium.

E. The date, after electing continuation Coverage, that coverage is obtained under any other group health plan. If such coverage contains a limitation or exclusion with respect to any preexisting condition of the Qualified Beneficiary, continuation will end on the date such limitation or exclusion ends. The other group health coverage will be primary for all health services except those health services that are subject to the preexisting condition limitation or exclusion.

F. The date, after electing continuation Coverage, that the Qualified Beneficiary first becomes entitled to Medicare, except that this will not apply in the event the Qualified Beneficiary's Coverage was terminated because the Enrolling Group filed for bankruptcy, in accordance with qualifying event (F.) described in *Section 8.3*.

G. The date the entire Contract ends.

H. The date Coverage would otherwise terminate under the Contract.

If a Qualified Beneficiary is entitled to 18 months of continuation and a second Qualifying Event occurs during that time, the continuation Coverage of a Qualified Beneficiary who is an Enrolled Dependent may be extended up to a maximum of 36 months from the Qualifying Event described in *Section 8.3* A. If a Qualified Beneficiary is entitled to continuation because the Enrolling Group filed for bankruptcy, in accordance with Qualifying Event (F.) described in *Section 8.3* and the retired Subscriber dies during the continuation period, the Enrolled Dependents will be entitled to continue Coverage for 36 months from the date of death. Terminating events (B.) through (G.) described in this *Section 8.5* will apply during the extended continuation period.

Continuation Coverage for Qualified Beneficiaries whose continuation Coverage terminates because the Subscriber becomes entitled to Medicare may be extended for an additional period of time. Such Qualified Beneficiaries should contact the Enrolling Group's designated plan administrator for information regarding the continuation period.

Section 7.6 Individual Continuation of Coverage

In the event the Group ceases to exist, the Group contract is terminated, an individual subscriber leaves the Group or the Member's eligibility status changes, the Member may remain in the Plan if he/she otherwise satisfies the eligibility criteria for COBRA or CAL-COBRA.

Member Rights

During the term of the contract between us and your Organization, we guarantee that it will not decrease any benefits, increase any co-payment, or change any exclusion or limitation. We will not cancel or fail to renew your enrollment in this Plan because of your health condition or your requirements for dental care. Your Selected General Dentist is responsible to you for all treatment and services, without interference from us.

However, your Selected General Dentist must follow the rules and limitations set up by us and conduct his or her professional relationship with you within the guidelines established by us. If our relationship with your Selected General Dentist ends, your dentist is obligated to complete any and all treatment in progress. We will arrange a transfer for you to another dentist to provide for continued coverage under the Plan. As indicated on your enrollment form, your signature authorizes us to obtain copies of your dental records, if necessary.

As a member, you have the right to:

- Be treated with respect, dignity and recognition of your need for privacy and confidentiality.
- Express complaints and be informed of the complaint process.
- Have access and availability to care and access to and copies of your dental records.
- Participate in decision-making regarding your course of treatment.
- Be provided information regarding Selected General Dentists.
- Be provided information regarding the services, benefits and specialty referral process.

Member Responsibilities

As a member, you have the responsibility to:

- Identify yourself to your Selected General Dentist as a member. If you fail to do so, you may be charged the dentist's usual and customary fees instead of the applicable co-payment, if any.
- Treat the dentist and his or her office staff with respect and courtesy and cooperate with the prescribed course of treatment. If you continually refuse a prescribed course of treatment, your Selected General Dentist or Specialist has the right to refuse to treat you. We will facilitate second opinions and will permit you to change your Selected General Dentist or Specialist if there is a breakdown in your relationship; however, we will not interfere with the dentist-patient relationship and cannot require a particular dentist to perform particular services.
- Keep scheduled appointments or contact the dental office twenty-four (24) hours in advance to cancel an appointment. If you do not, you may be charged a missed appointment fee.
- Make co-payments at the time of service. If you do not, the dentist may collect those co-payments from you at subsequent appointments and in accordance with their policies and procedures.
- Notify us of changes in family status. If you do not, we will be unable to authorize dental care for you and/or your family members.
- Be aware of and follow your Organization's guidelines in seeking dental care. If you do not, your Organization may not have sufficient information to report your eligibility to us, which could result in a denial of care.

Non-Covered Services

IMPORTANT: If you opt to receive dental services that are non-covered services under this plan, a participating dental provider may charge you his or her usual and customary rate for those services. Prior to providing a patient with dental services that are not a covered benefit, the dentist should provide to the patient a treatment plan that includes each anticipated service to be provided and the estimated cost each service. If you would like more information about dental coverage options, you may call member services at (877) 813-4529 or your insurance broker. To fully understand your coverage, you may wish to carefully review this evidence of coverage document.

For purposes of this section, "covered services" or "covered dental services" means dental care services for which the plan is obligated to pay pursuant to an enrollee's plan contract, or for which the plan would be obligated to pay pursuant to an enrollee's plan contract but for the application of contractual limitations such as deductibles, copayments, coinsurance, waiting periods, annual or lifetime maximums, frequency limitations or alternative benefit payments.

Section 8: Procedures for Obtaining Benefits

Section 8.1 Dental Services

You are eligible for Coverage for Dental Services listed in the *Schedule of Covered Dental Services* and *Section 10: Covered Dental Services* of this *EOC* if such Dental Services are Necessary and are provided by or under the direction of a Dentist or other provider. All Coverage is subject to the terms, conditions, exclusions and limitations of the Contract.

Subscribers choose a Dentist from a list of Participating Dentists provided by the dental plan. A Covered Person can also call to determine which providers participate in the Network. The telephone number for customer Service is on the ID card.

Within the Service Area, you are entitled to receive all the Dental Services specified in the *Schedule of Covered Dental Services* and *Section 10: Covered Dental Services* of this *EOC*. You must go to your Participating Dentist for these services unless the dental plan has made prior special arrangements for you. If you do not use a Participating Dentist and the dental plan has not approved the use of a Non-Participating Dentist you will not be Covered for any services received.

Enrolling for Coverage under the Contract does not guarantee Dental Services by a particular Participating Dentist on the list of providers. The list of Participating Dentists is subject to change. When a provider on the list no longer has a contract with the Company, you must choose among remaining Participating Dentists. You are responsible for verifying the participation status of the Dentist, or other provider prior to receiving such Dental Services. You must show your ID card every time you request Dental Services.

If you fail to verify participation status or to show your ID card, and the failure results in non-compliance with required Company procedures, Coverage may be denied.

Coverage for Dental Services is subject to payment of the Premium required for Coverage under the Contract and payment of the Copayment specified for any service shown in the *Schedule of Covered Dental Services* and *Section 10: Covered Dental Services*.

Participating Dentists are responsible for submitting a request for payment directly to the Company, however, a Covered Person is responsible for any Copayment at the time of service. If a Participating Dentist bills a Covered Person, customer service should be called. A Covered Person does not need to submit claims for Participating Dentist services or supplies.

Prohibited Referral

The Dental Plan will not make payment of any claim, bill, or other demand or request for payment for dental care services that the appropriate regulatory board determines were provided as a result of a "prohibited referral." Prohibited referral means any referral from a Participating Dentist in which the Participating Dentist owns a beneficial interest; or, in which the Participating Dentist's immediate family owns a beneficial interest of three percent (3%) or greater; or, with which the Participating Dentist, his/her immediate family, or the Participating Dentist in combination with his/her immediate family has a compensation arrangement.

Section 8.2 Selecting a Participating Dentist

This plan is designed to provide quality dental care while controlling the cost of this care. Covered Persons must seek Dental Services from a Participating Dentist. Except for Emergency Dental Services, in no event will we cover Dental Services provided to a Covered Person by a Non-Participating Dentist. The Network includes Participating Dentists in a Covered Person's geographic area. A "Participating Dentist" is a Dentist that has a provider agreement in force with us. When a Covered Person enrolls in

this plan, he or she will get information about our current Participating Dentists. If you have any further questions regarding provider location, office hours or emergency hours or other providers in your area, or to request a copy of the provider directory, you may contact customer service at the telephone number on your ID card to receive that information. You can also find an online version of the directory at www.myuhc.com.

After enrollment, a Covered Person will receive an ID card. A Covered Person can schedule an appointment by simply calling the Dentist and must present this ID card when he or she goes to his or her Participating Dentist. Please read your materials carefully for specific benefit levels, exclusions, Coverage limits and Covered Person Copayments. You can call our customer service department at the telephone number on your ID card if you have any questions after reading your materials.

Section 8.3 Emergency Dental Services

All Participating Dentists provide Emergency Dental Services twenty-four (24) hours a day, seven (7) days a week. You should contact your Participating Dentist, who will make arrangements for Emergency care. If you are unable to reach your Participating Dentist in an Emergency during normal business hours, you must call our customer service department for instructions.

If you are unable to reach your Participating Dentist in an Emergency after normal business hours, you may seek Emergency Dental Services from any licensed Dentist. Then, within 2 business days, you should call our customer service department to notify us of the Emergency claim.

Claims for Emergency Dental Services

To receive reimbursement, you do not have to submit a claim form. All you have to do is send us, within 90 days, the itemized bill, marked "PAID," along with a brief explanation of why the Emergency Dental Services were Necessary. We will provide reimbursement within 30 days of receipt. We will reimburse you for the cost of the Emergency Dental Services, less any Copayment which may apply.

All reimbursement requests should be mailed to:

Dental Benefit Providers of California, Inc.

P.O. Box 30567

Salt Lake City, Utah 84130-0567

Section 8.4 Specialty Referrals

Your Participating Dentist is responsible for providing all Covered Dental Services. But, certain services may be eligible for referral to a Network Specialist Dentist. Specialty care will be Covered, less any applicable Copayment, when such specialty services are provided in accordance with the specialty referral process described below.

All Specialty Referral Services Must Be: (A) Pre-Authorized by us; and (B) Coordinated by a Covered Person's Participating Dentist. Any Covered Person who elects specialist care without prior referral by his or her Participating Dentist and approval by us is responsible for all charges incurred.

In order for specialty services to be Covered by this plan, the following referral process must be followed:

1. A Covered Person's Participating Dentist must coordinate all Dental Services.
2. When the care of a Network Specialist Dentist is required, the Covered Person's Participating Dentist must contact us and request authorization.

3. If the Participating Dentist's request for specialist referral is approved, we will notify the Covered Person. He or she will be instructed to contact the Network Specialist Dentist to schedule an appointment.

4. If the Participating Dentist's request for specialist referral is denied, the Participating Dentist and the Covered Person will be notified of the reason for the denial. If the service in question is a Covered service, and no limitations or exclusions apply, the Participating Dentist may be asked to perform the service.

5. A Covered Person who receives authorized specialty services must pay all applicable Copayments associated with the services provided. When we authorize specialty dental care, a Covered Person will be referred to a Network Specialist Dentist for treatment. The Network includes Network Specialist Dentists in: (a) endodontics; (b) oral surgery; (c) pediatric dentistry; (d) orthodontics; and (e) periodontics, located in the Covered Person's Service Area. If there is no Network Specialist Dentist in the Covered Person's Service Area, we will refer the Covered Person to a Non-Participating Specialist of our choice. Except for Emergency Dental Services, in no event will we cover dental care provided to a Covered Person by a specialist not pre-authorized by us to provide such services.

Except for pediatric specialty services, when specialty services are provided the Covered Person's financial responsibility is limited to applicable Copayments. Copayments are listed in the Covered Person's *Schedule of Covered Dental Services*.

Section 8.5 Pediatric Specialty Services

During a Participating Dentist visit, a Covered Person under age 6 may be unmanageable. In such case, the Covered Person may be referred to a Network pediatric Specialist Dentist for the current treatment plan only. Following completion of that authorized pediatric treatment plan, the Covered Person must return to the Participating Dentist for further services. Subsequent referrals to the Network pediatric Specialist Dentist, if any, must first be authorized by us. Any services performed by a pediatric Specialist Dentist after the Covered Person's 6th birthday will not be Covered.

Section 8.6 Second Opinion Consultation

A Covered Person, or his or her treating Participating Dentist, may submit a request for a second dental opinion to us by writing or calling our customer service department at the telephone number on your ID card. Referrals to a Provider for second dental opinions will be provided when requested. All requests for a second opinion are processed within five (5) business days of receipt by us of such request. The requesting Participating Dentist will be notified both verbally and in writing within 24 hours of the decision. The decision will be communicated to a requesting Covered Person verbally (when possible) and in writing within 2 business days.

Second dental opinions will be rendered by an appropriately qualified dental professional. An appropriately qualified dental professional is a licensed health care dental Provider who is acting within his or her scope of practice and who possesses the clinical background, including training and expertise, related to the particular illness, disease, condition or conditions associated with the request for a second dental opinion.

If the Covered Person is requesting a second dental opinion about care received from his or her Participating Dentist, the second dental opinion will be provided by an appropriately qualified health care professional within the Network. If the Covered Person is requesting a second dental opinion about care received from a Specialist Dentist, the second dental opinion will be provided by a Specialist within the Network of the same or equivalent specialty.

Section 9: Covered Dental Services

Dental Services described in this Section and in the *Schedule of Covered Dental Services* are Covered when such services are Necessary and not excluded as described in *Section 11: General Exclusions*.

Covered Dental Services are subject to satisfaction of the payment of any Copayments as described below and in the *Schedule of Covered Dental Services*.

Covered Dental Services must be provided by or directed by a Participating Dentist.

This Section and the *Schedule of Covered Dental Services*: (1) describe the Covered Dental Services and any applicable limitations to those services; (2) outline the Copayments that you are required to pay for each Covered Dental Service; and (3) describe any Maximum Benefits that may apply.

Section 9.1 Additional Provisions

Multiple Crown/Bridge Unit Treatment Fee

A Covered Person's recommended treatment plan may include 7 or more Covered units of crown and/or bridge to restore teeth or replace missing teeth. In such case, the Covered Person must pay both: (a) the usual crown or bridge patient charge for each unit of crown or bridge; and (b) an additional charge per unit. These charges are shown in the Schedule of Covered Dental Services. The maximum benefit within a 12-month period is for 7 crowns or pontics.

Noble and High Noble Metals

The plan provides for the use of noble metals for inlays, onlays, crowns and fixed bridges. When high noble metal is used, the Covered Person must pay: (a) the Copayment for the inlay, onlay, crown or fixed bridge; and (b) an added charge equal to the actual laboratory cost of the high noble metal not to exceed $150.

Section 10: General Exclusions

Section 10.1 Exclusions

Except as may be specifically provided in the Schedule of Covered Dental Services or through a Rider to the Contract, the following are not Covered:

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at 1-877-813-4259 and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30

days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number (1-888-HMO-2219) and a TDD line (1-877-688-9891) for the hearing and speech impaired. The Department's Internet Website http://www.hmohelp.ca.gov has complaint forms, IMR application forms and instructions online.

In the event of an urgent grievance, which involves an imminent and serious threat to your health, including, but not limited to, severe pain, potential loss of life, limb or major bodily function, you are not required to participate in our grievance process and may directly contact the California Department of Managed Health Care, as referenced above, for review of the urgent grievance.

A guardian may file a grievance on behalf of a minor or someone who is incompetent or incapacitated.

There will be no discrimination against you, including cancellation of your insurance, on the grounds that you filed a grievance.

Claims and Appeal Notice

This Notice is provided to you in order to describe our responsibilities under Federal law for making benefit determinations and your right to appeal adverse benefit determinations. To the extent that state law provides you with more generous timelines or opportunities for appeal, those rights also apply to you. Please refer to your benefit documents for information about your rights under state law.

Benefit Determinations

Post-service Claims

Post-service claims are those claims that are filed for payment of Benefits after dental care has been received.

Pre-service Requests for Benefits

Pre-service requests for Benefits are those requests that require prior authorization or benefit confirmation prior to receiving dental care.

How to Request an Appeal

If you disagree with a pre-service request for benefits determination, post-service claim determination or a rescission of coverage determination, you can contact us in writing to request an appeal.

Your request for an appeal should include:

- The patient's name and Policy number.
- The date(s) of Dental Service(s).
- The provider's name.
- The reason you believe the claim should be paid.
- Any documentation or other written information to support your request for claim payment.

Your appeal request must be submitted to us within 180 days after you receive the denial of a pre-service request for benefits or the claim denial.

Appeal Process

A qualified individual who was not involved in the decision being appealed will be chosen to decide the appeal. If your appeal is related to clinical matters, the review will be done in consultation with a Dental care professional with experience in the field, who was not involved in the prior determination. We may consult with, or ask dental experts to take part in the appeal process. You consent to this referral and the sharing of needed dental claim information. Upon request and free of charge, you have the right to reasonable access to and copies of all documents, records and other information related to your claim for Benefits. If any new or additional evidence is relied upon or generated by us during the determination of the appeal, we will provide it to you free of charge and in advance of the due date of the response to the adverse benefit determination.

Appeals Determinations

Pre-service Requests for Benefits and Post-service Claim Appeals

For procedures related with urgent requests for Benefits, see *Urgent Appeals that Require Immediate Action* below.

You will be provided written or electronic notification of the decision on your appeal as follows:

- For appeals of pre-service requests for Benefits as identified above, the appeal will take place and you will be notified of the decision within 30 days from receipt of a request for appeal of a denied request for benefits.
- For appeals of post-service claims as identified above, the appeal will take place and you will be notified of the decision within 60 days from receipt of a request for appeal of a denied claim.

Please note that our decision is based only on whether or not Benefits are available under the Policy for the proposed treatment or procedure.

You may have the right to external review through an *Independent Review Organization* (*IRO*) upon the completion of the internal appeal process. Instructions regarding any such rights, and how to access those rights, will be provided in our decision letter to you.

Urgent Appeals that Require Immediate Action

Your appeal may require immediate action if a delay in treatment could significantly increase the risk to your health, or the ability to regain maximum function, or cause severe pain. In these urgent situations:

- The appeal does not need to be submitted in writing. You or your Dental Provider should call us as soon as possible.
- We will provide you with a written or electronic determination within 72 hours following receipt of your request for review of the determination, taking into account the seriousness of your condition.
- If we need more information from your Dental Provider to make a decision, we will notify you of the decision by the end of the next business day following receipt of the required information.

The appeal process for urgent situations does not apply to prescheduled treatments, therapies or surgeries.

If you are unavailable or unable to object, we will use our best judgment to decide if the disclosure is in your best interests. Special rules apply regarding when we may disclose health information to family members and others involved in a deceased individual's care. We may disclose health information to any persons involved, prior to the death, in the care or payment for care of a deceased individual, unless we are aware that doing so would be inconsistent with a preference previously expressed by the deceased.

If a use or disclosure of health information described above in this notice is prohibited or materially limited by other laws that apply to us, it is our intent to meet the requirements of the more stringent law.

Except for uses and disclosures described and limited as stated in this notice, we will use and disclose your health information only with a written authorization from you. This includes, except for limited circumstances allowed by federal privacy law, not using or disclosing psychotherapy notes about you,

selling your health information to others, or using or disclosing your health information for certain promotional communications that are prohibited marketing communications under federal law, without your written authorization. Statement of Employee Retirement Income Security Act of 1974 (ERISA) Rights

As a participant in the plan, you are entitled to certain rights and protections under the *Employee Retirement Income Security Act of 1974 (ERISA)*.

Receive Information about Your Plan and Benefits

You are entitled to examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series), if applicable, filed by the plan with the *U.S. Department of Labor* and available at the *Public Disclosure Room* of the *Employee Benefits Security Administration*.

You are entitled to get, upon written request to the Plan Administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series), if applicable and updated *Summary Plan Description*. The Plan Administrator may make a reasonable charge for the copies.

Continue Group Health Plan Coverage

You are entitled to continue health care coverage for yourself, spouse or Dependents if there is a loss of coverage under the plan due to a qualifying event. You or your Dependents may have to pay for such coverage. The Plan Sponsor is responsible for providing you notice of your *Consolidated Omnibus Budget Reconciliation Act* (*COBRA)* continuation rights. Review the *Summary Plan Description* and the documents governing the plan on the rules governing your *COBRA* continuation coverage rights.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, *ERISA* imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including your employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under *ERISA*.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to get copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. Under *ERISA*, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for Benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the *U.S. Department of Labor*, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If

you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under *ERISA*, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the *Employee Benefits Security Administration*, *U.S. Department of Labor* listed in your telephone directory or the *Division of Technical Assistance and Inquiries*, *Employee Benefits Security Administration*, *U.S. Department of Labor*, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also get certain publications about your rights and responsibilities under *ERISA* by calling the publication hotline of the *Employee Benefits Security Administration*.
