TRANSFORMING LIVES

# Welcome to Berkeley City College

Welcome to Berkeley City College! You have taken a major step in your education journey, and we are honored that you have chosen to do so at BCC. You are joining a community that is rich in diversity, committed to equity, social justice, and academic excellence. For over 50 years, we have been supporting our community's educational success for generations. You will find that our distinguished faculty, classified professionals, and administrators are dedicated to your learning experience and most importantly, your program completion. We consider every classroom experience, counseling appointment, and financial aid and admissions encounter an opportunity for us to support your success.

Berkeley City College believes that providing quality, affordable education is critical to maintaining a democratic society and supporting widespread access to economic mobility within our community. Further, our commitment to social justice is a core consideration as we develop curriculum, provide student support services, and cultivate a campus environment where all of our students can find community. We are proud to be among the colleges with the highest rates of completion and transfer to the California State University (CSU) and University of California (UC) systems. Our Career Education programs are tailored for career placements with high recruitment demands in industries that lead to higher living wages.

Berkeley City College is a Champion of Higher Education recognized for the Campaign for College Opportunity for exemplary work in implementing and awarding the Associated Degree for Transfer (ADT). BCC is also recognized as an Equity Champion for Higher Education for closing equity gaps in Latinx and African American transfers and was recognized in for Equitable Course Placement for English and Math. With more than 100 degree and certificate programs, you are sure to discover a pathway that leads toward your goal.

In this catalog you will find detailed information about course offerings, programs, certificates, associate degrees, and transfer pathways. It is also a key resource for learning about the extensive student services opportunities provided at Berkeley City College. We offer tutoring and counseling services, the Veterans Resource Center, Extended Opportunity Programs and Services (EOPS), CalWORKS, the Career and Transfer Center, Adult Education, the Society of Scholars learning communities, and SO much more!

Whether you are enrolling as a high school graduate, a dual enrolled high school student, returning to college after some time away, or choosing to enroll in higher education for the first time, Berkeley City College will support you in achieving your academic and career goals.

Thank you for choosing Berkeley City College! We will be here for you every step of the way.

Denise Richardson, Ed.D.  
President, Berkeley City College

# BOOKSTORE CHANGES FOR SUMMER & FALL 2025

**Summer and Fall 2025**, the physical bookstores at **Berkeley City College, College of Alameda** and **Merritt College**, will be **closed**. The Laney College store will remain open for business as it operates as a standard store and can serve the students from all colleges within the Peralta Community College District.

To address the challenges of rising operational costs and declining sales the physical stores at the other three colleges will be closed for the time being. All individual websites will stay live and service each campus. Students can choose shipping or pick-up locations available at the Laney College Bookstore.

**Verano y Otoño de 2025**, las librerías físicas de **Berkeley City College, College of Alameda** y **Merritt College** estarán **cerradas**. La tienda de Laney College permanecerá abierta, ya que opera como una tienda estándar y puede atender a los estudiantes de todas las universidades dentro del Distrito de Colegios Comunitarios de Peralta.

Para abordar los desafíos del aumento de los costos operativos y la disminución de las ventas, las tiendas físicas de las otras tres universidades permanecerán cerradas por el momento. Todos los sitios web individuales seguirán activos y prestarán servicio a cada campus. Los estudiantes podrán elegir entre el envío o las ubicaciones de recogida disponibles en la librería de Laney College.

# Society of Scholars

## Enroll in a Berkeley City College Society of Scholars Community to Help Ensure Your College Success!

BCC's Society of Scholars (SoS) are cohort-based, meaning students take classes with the same group of students and move forward together to reach their educational goals. This enables students to have a support system within their peers, building relationships and connections with one another as they help each other succeed. This peer support is in addition to the support they also receive from BCC's dedicated instructors and counselors who provide valuable support services such as individual counseling, tutoring, mentoring, and educational planning — all to ensure a successful transfer to jobs and/or a four-year university.

### Why should you join a society of scholars community?

- Priority Registration!
- Dedicated counselors who stay with you until you meet your goal, TRANSFER!
- Inclusive instructors who are committed to honoring diverse identities and use multicultural textbooks.
- Build a network of scholars and friends through community building activities.
- Participate in communities events: Conferences, guest speakers, field trips, and many more!

If you are the first in your family to attend college, or may be the first time back to college after being away for a while, or if you are a Berkeley Community Scholar, Oakland Promise or Richmond Promise Scholarship recipient, then SoS is definitely for you. BCC offers four unique programs to welcome you.

To find out more about Society of Scholars Communities and how you can enroll, email:

[bcc-learningcommunities@peralta.edu](mailto:bcc-learningcommunities@peralta.edu) or visit us at <https://www.berkeleycitycollege.edu/learning-communities/>

### AAPI LEAD ( Leadership Empowerment, Advocacy, Diversity)

The intent of AAPI L.E.A.D. is to provide access and support to the diverse group of students that identify as Asian American and Pacific Islander (AAPI) and others who would appreciate and benefit from learning from the AAPI perspective.

AAPI L.E.A.D. strives to empower our diverse LEADers to learn more about their cultural identities and develop leadership and advocacy skills through participating and facilitating various on-campus and off-campus events and activities, including but not limited to: AAPI L.E.A.D. student club, student panels, career panels, conferences, cultural events and activities.

### IGNITE

The mission of IGNITE Scholars is to help you, a first-time college student, obtain an associate degree in two to three years and direct you to the right classes to transfer to a four-year college or university and possibly earn an AAT/AST degree. This innovative cohort program provides intensive support and early planning to help you succeed in college.

### The PUENTE Project

The Puente Project's mission is to increase the number of disproportionately impacted students who: enroll in four-year colleges and universities, earn college degrees, return to the community as mentors and leaders of future generations.

Here at BCC, we support our Puentistas in attaining their education and career goals through a combination of intentional counseling, curriculum that promotes self and collective empowerment, and opportunities for mentorship by members of the community. Through our cohort model, students build meaningful connections with each other, their Puente faculty and staff, and the larger BCC Society of Scholars community.

### UMOJA SCHOLAR

UMOJA (A Kiswahili word meaning unity) is a program dedicated to enhancing the cultural and educational experiences of students who identify with the Black and African American community. The UMOJA Scholars program goal is to support students to complete integrated courses, learn from the African Diaspora and transfer to a four-year institution including Historically Black Colleges and Universities.

## About Our Student Services and Support Programs

Berkeley City College offers a variety of student services and support programs which provide you with the support and assistance you need to reach your educational goals. We hope you will take ad-vantage of these services while attending the college. Your success is important to us! If you have needs which may not be met by the services listed here, call the Vice President of Student Services at (510) 981-2810. Unless otherwise indicated, locations are online: jmartinez@peralta.edu or visit:

[www.berkeleycitycollege.edu/student\\_service\\_programs/](http://www.berkeleycitycollege.edu/student_service_programs/)

## Admissions & Records

1st Floor, Room 152 • 510-981-5000

Mon-Fri 8:00 AM - 4:30 PM

BCC-AdmissionsRecords@peralta.edu or visit:

[www.berkeleycitycollege.edu/admissions/](http://www.berkeleycitycollege.edu/admissions/)

All students will have an opportunity to qualify for transfer level math and English courses for enrollment, due to the enactment of AB705. With AB705 in place, students will automatically be placed in math and English courses based on their high school transcripts instead of taking a placement test and having courses assigned based on that test. Now student transcripts will be reviewed by a counselor and, depending on your high school level in English and Math courses, you will be placed in the appropriate course. The following documents can be used as multiple measures for course placement:

1. college and/or high school transcript,
2. high school AP (with a 3 or higher) and
3. IB (with a 6 or higher) score.

## Basic Needs Center

Room 15 • (510) 981-2951

bcc-basicneeds@peralta.edu

[www.berkeleycitycollege.edu/basicneeds/](http://www.berkeleycitycollege.edu/basicneeds/)

The Basic Needs Center aims to provide services and resources to remove barriers and empower students to persist and thrive towards success. We are in the process of creating virtual and physical hubs of resources, where students can find support in having their essential needs met.

Mon. & Tues. 10 AM – 5 PM

Wed. 12 PM – 5 PM

Thurs. 3 PM – 5 PM

Fri. 10 AM – 3 PM

## Bookstore Services

The Peralta College Bookstores are adjusting their services to help reduce costs as the semester progresses. To address rising operational costs and declining sales, Merritt College, Berkeley City College, and College of Alameda will close their physical bookstore locations and shift to an online model for the remainder of 2025. The Laney College Bookstore will remain open and serve as a central pickup location for orders. Websites for each campus will remain active, allowing students to shop online and choose their preferred delivery or pickup options.

Berkeley City College Online Bookstore

[www.bkstr.com/berkeleycitystore/home](http://www.bkstr.com/berkeleycitystore/home)

## Graduation and Book Buyback

Follet Higher Education, the bookstore operators, will provide pop-up locations at each campus toward the end of the term for students to order graduation regalia, book buybacks, book rental returns, etc. Those dates will be announced at a later date, and many of the graduation items will be available online.

## Campus Life

1st Floor, Room 125 • (510) 981-2877

Monday - Friday, 9am - 5pm

[www.berkeleycitycollege.edu/campus-life-and-activities](http://www.berkeleycitycollege.edu/campus-life-and-activities)

bcc-campuslife@peralta.edu

The Office of Student Activities & Campus Life provides a link between students' classroom experiences to activities outside of the classroom. We aim to provide learning experiences that stimulate and encourage social, cultural, and recreational interactions. Through sponsored services, programs, and events on campus, students will have the opportunity to create meaningful experiences at our campus.

Our office provides students the tools and resources for their individual and student organization success. We encourage all of you to find experiences through our office that will challenge and supporting your learning. We want you to be part of life lessons and memories created through the programs offered to make your experiences an integral part of Berkeley City College's educational environment.

## Concurrent Enrollment with Four Year Colleges and Universities

BCC offers a concurrent enrollment program with the University of California, Berkeley, Mills College, and California State University, East Bay. This program provides access to these three institutions for students who might not otherwise consider them. The program allows you to take courses you need (if offered) that are not available at BCC and enables you to test your potential for success in a university/four-year college setting. You pay the same fees for concurrent enrollment courses as you do for your BCC courses. You are not eligible for this program if you have previously attended a four-year institution or hold a bachelor's degree or equivalent from a university.

Extended Opportunity Programs and Services (EOPS) provides financial and academic support to community college students whose educational and socioeconomic backgrounds may prevent them from successfully attending college. To qualify, you must be: a California resident; enrolled in at least 12 units, but not have completed more than 70 degree-applicable units; eligible for the California Promise Grant; and educationally disadvantaged. Services provided are: orientation, early registration, specialized counseling, academic planning, career guidance, academic progress monitoring, tutoring, book grants, transfer assistance, and special cultural awareness activities.

CARE, part of EOPS, is a state-funded supplemental educational support program of EOPS whose goal is to assist AFDC/TANF cash assistance recipients, single heads of household by obtaining college-level education and training to become more employable. EOPS students who are CalWORKs/TANF/AFDC recipients, single head of household with children may be eligible for CARE.

CARE students receive supplemental counseling and advisement services; assistance with child care and transportation, school supplies, programs, workshops, classes to enhance personal development; parenting; study skills; group support; peer networking; and information and referrals to campus and community based human services programs. For information about how EOPS can help you succeed in college, contact EOPS.

[berkeleycitycollege.edu/library/](http://berkeleycitycollege.edu/library/)

BCC's Susan Almon Duncan Library is open to students registered at Berkeley City College and faculty and staff at colleges within the Peralta Community College District. The library contains over 17,000 physical books, a small collection of print periodicals, a zine collection, and a multimedia collection. Laptops, headphones, chargers, whiteboard markers/erasers, and reserve textbooks are also available for loan. You may check out materials with a current Berkeley City College (or other colleges within the Peralta Community College District) photo ID card. The card is free of charge and can be obtained on campus. In addition, the library also contains five study rooms for exclusive

use by small student groups.

Library computer workstations provide access to the Internet word processing, the college's book catalog as well as over 35 research databases and streaming media. These databases are also available remotely. Several workstations are ADA-compliant and available to DSPS students. Two photocopiers and printers are available for students and print cards can be purchased on campus.

Librarians and library staff are available during our operating hours to assist students with checking out materials, utilizing library technology, and answering research/reference questions.

[www.berkeleycitycollege.edu/pssd/](http://www.berkeleycitycollege.edu/pssd/)

Students Accessibility Services (SAS) at Berkeley City College provides individual supportive services to students with verified disabilities, ensuring equal access and promoting independence and integration. Its counseling services arrange classroom and test accommodations, while the learning disabilities staff assesses learning issues and provides related guidance. The alternate media and adaptive technology team offers a range of assistive resources, including audio books, large print, Braille, e-text, screen readers, magnification, voice recognition, and other software to meet diverse learning needs.

*Note that each Peralta campus has services for students with disabilities. You must register for disability services at each Peralta campus where you attend classes. If you wish to apply for SAS services, schedule an appointment, or have questions, please contact the department.*

### **Student Ambassador Welcome Desk**

1st Floor

(510) 981-5032

<https://www.berkeleycitycollege.edu/bccambassadors/>

The focus of the welcome desk is to support new and continuing students through the enrollment process into the Peralta Community College District system, answer general questions, and provide educational outreach services to local high schools, middle schools, and community partners.

### **Transfer Curriculum for UCs and CSUs**

The University of California and California State University campuses have cooperated to develop the Cal-GETC (California General Education Transfer Curriculum). Cal-GETC is a pattern of courses that you can use to satisfy lower division general education requirements at any UC or CSU campus. You must complete the entire pattern of courses to be certified.

*Note: CAL-GETC is not recommended for all majors. Please check with your counselor to plan your program. At minimum, 60 transfer units are required for admission as a transfer student. You may also visit <https://assist.org> to view majors.*

### **California General Education Transfer Curriculum**

Cal-GETC will become effective for new students without catalog rights in fall 2025. Students with catalog rights before fall 2025 can use the Intersegment General Education Transfer Curriculum (IGETC) or CSU Breadth for certification. General education requirements are not recommended for all majors. Please check with your counselor to plan your program

# Admissions Information

---

## Who May Register?

All persons 18 years of age or older are eligible for admissions as a California resident or nonresident. Anyone under 18 years of age who is a high school graduate or has been awarded a GED or California High School Proficiency Certificate may also enroll. *Unless expressly exempted, or entitled to a waiver, all students enrolling for college credit must pay the enrollment fee.*

## Adding A Class

If a class is open, students can enroll online or in the Admissions and Records Office at any campus. If a class is closed, students can add their name to the wait list prior to the first day of class. After the first day, instructors will issue a permission number or sign an Add card if space is available. Students who are present and on the wait list will be given first priority. Students who do not attend the first class may be dropped by the instructor. Go to this link for all key deadlines for adding and dropping classes: <https://www.peralta.edu/admissions/academic-calendar-finals-schedule-enrollment-calendar>

## Dropping A Class

It is the student's responsibility to drop classes that they do not wish to attend. Students can drop classes online or in the Admissions and Records Office on campus. However, instructors may drop students for non attendance during the first week of classes. Go to this link for all key deadlines for adding and dropping classes: <https://www.peralta.edu/admissions/academic-calendar-finals-schedule-enrollment-calendar>

## PASS/NO PASS Option

Step 1: Check the college catalog to see if your class is eligible for P/NP grading.

Step 2: For Pass/No Pass Deadlines, go to this link for all key deadlines: <https://www.peralta.edu/admissions/academic-calendar-finals-schedule-enrollment-calendar>

## Residence Requirements

To be considered a California resident for tuition purposes, a person must have lived in the state continuously for at least one year before the residence determination date and provide evidence of intent to make California their permanent home. The student must be a U.S. citizen or hold a qualifying immigration status. Acceptable residency evidence includes a valid California ID, state tax return, property tax receipt, lease agreement, or active military ID.

## Nonresident Tuition Exemption

A student is exempt from paying nonresident tuition if the student meets all of the following four requirements:

1. Must have: attended a combination of California high school, adult school, and California Community College for the equivalent of three years or more, or attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work and attended a combination of elementary, middle and/or high schools in California for a total of three or more years.
2. Must have: graduated from a California high school or attained the equivalent prior to the start of the term (for example, passing the GED or California High School Proficiency exam), or completed an associate degree from a California Community College, or completed the minimum requirements at a California Community College for transfer to the California State University or the University of California.
3. Must register as an entering student at, or current enrollment at, an accredited institution of higher education in California.
4. Must file an [affidavit](#) with the college or university stating that if the student is a non-citizen without current or valid immigration status, the student has filed an application to legalize immigration status, or will file an application as soon as the student is eligible to do so.

The Location of the Affidavit is located under "Residency" when you visit this link: <https://www.peralta.edu/admissions/forms>

## Concurrent/Dual Enrollment/ High School / Other

Per California Education Code section 76001, high school students may enroll as special part-time students with their principal's recommendation and parental consent. College credit will be granted, and high schools may also award credit for courses taken at Peralta Colleges. Students must follow college regulations, including assessment and prerequisites. Approval from the Vice President of Student Services is required for students enrolling in more than six units. Fees are waived for part-time students, but full-time (over 15 units) concurrently enrolled students must pay tuition and other fees

## Military Residence Exemption

Nonresident U.S. military personnel and on active duty in California (except those assigned for educational purposes to state supported institutions of higher education) and their dependents are granted a waiver of Nonresident Tuition until they are discharged from the military service.

## International Students

Special regulations govern the admission of international students. These students should contact the Office of International Education for applications and admissions at <https://www.peralta.edu/international> by email at [international@peralta.edu](mailto:international@peralta.edu), or by phone at (510) 466-7380.

## Enrollment Appointments & Open Enrollment

You may enroll in classes on or after your enrollment or during open enrollment. If you have been provided an enrollment appointment, it will appear in [Campus Solutions](#) (under "Academic Record"). Most new and former students do not have appointments and may enroll during open enrollment.

## Enrollment Dates

Enrollment Dates change by semester. The upcoming semester's enrollment dates can be found on the peralta website at: <http://peralta.edu/enrollmentcalendar>

## Placement (multiple measures):

Counselors review multiple measures to advise you on appropriate class enrollment and placement in English or English as a second language (ESOL) and mathematics.

## Counseling

You will meet with a counselor to help develop a student educational plan (SEP) and select appropriate classes based on your objectives and assessment evaluation.

# Financial Assistance General Information

---

There are many financial aid programs designed to fit a variety of circumstances facing students attending California Community Colleges. Students are encouraged to apply for financial aid and should follow up with their home college's Financial Aid Office to obtain information and necessary application forms to receive student Financial Assistance.

## FINANCIAL AID PROGRAMS AVAILABLE

---

- California Promise Program (CCPG)
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (FSEOG)
- Federal Work Study (FWS) - part time employment on/off campus
- Federal Direct Loan
- Cal Grant A B, C
- Extended Opportunity Programs & Services (EOPS)
- Chafee/Foster Youth Grant
- Student Success Completion Grant (SSCG)
- Scholarships

## REQUIRED APPLICATION FORM

---

- Free Application for Federal Student Aid (FAFSA)
- [www.fafsa.gov](http://www.fafsa.gov) (or via 'MyStudentAid' mobile app)
- California Dream Act Application (for eligible AB 540 students)  
[dream.csac.ca.gov/](http://dream.csac.ca.gov/)

## KEY ELIGIBILITY REQUIREMENTS

---

- U.S. Citizen, Eligible Undocumented or AB540
- Have a High School Diploma or a GED certificate
- Demonstrate Financial Need
- Be enrolled as a regular student and declare a Program of Study
- Have a valid Social Security Number for federal financial aid
- Maintain satisfactory academic progress
- Not be in loan default or owe a refund on a grant

*Financial Aid Applications are accepted throughout the academic year from October 1st to June 30th. Students are encouraged to apply as soon as possible. Some awards are subject to availability of funds.*

## FINANCIAL AID EMAIL NOTIFICATION

---

To better serve you in a timely and efficient manner, all communication from the Financial Aid Office will be sent to your Peralta email. The Peralta Student Email system is available to all students enrolled at the Peralta Community Colleges.

If you have any login issues, please send your help request to the Peralta Student Email Help Desk at

[helpdesk@cc.peralta.edu](mailto:helpdesk@cc.peralta.edu). Please include your first name, last name, Student ID Number and Campus Solutions User ID in your request.

# Financial Aid - Frequently Asked Questions

## Why should I apply for financial aid?

Financial aid is made available to assist students and families in meeting the costs of a post-secondary education. If you believe you will need assistance in meeting those costs, you should apply for financial aid. You can apply online at [studentaid.gov](http://studentaid.gov), via the mobile app at "MyStudentAid", or at [dream.csac.ca.gov](http://dream.csac.ca.gov) (For California AB540 students)

## If I am not a U.S. Citizen, am I still eligible to apply for Financial Aid?

To be eligible for federal aid, a student must be a U.S. citizen or an eligible non-citizen. Eligible non-citizens include U.S. permanent residents (I-551), conditional permanent residents (I-551C), or non-citizens with an I-94 record showing "Refugee," "Asylum Granted," "Parole," or "Cuban-Haitian Entrant" status. Students with F-1, F-2, or G series visas are not eligible for federal or state financial aid.

## How do I get financial aid?

To receive financial aid, you must apply by completing the FAFSA or California Dream Act application. Everyone should apply, even if they think they won't qualify. For the Cal Grant program, submit a GPA Verification Form by March 2nd or September 2nd each year. You may also need to provide additional documents like IRS tax transcripts. Respond promptly to all Financial Aid Office requests.

## Do I need to complete my income tax return before I complete the Financial Aid Application?

While it is recommended that you complete your tax return prior to filling out your FAFSA or Dream Act, it is not essential. You can fill out the financial aid application using estimated information from your W-2. Any large discrepancies between your aid application and your tax return may have a large impact on any preliminary financial aid award you receive.

## What happens if I have academic or other problems and have to drop classes or drop out of college entirely?

If you receive aid and then drop units or withdraw prior to the end of the semester, you may be required to repay a portion of the funds. The repayment amount will be determined after the add/drop period has ended. Students that are required to repay will be required to do so before being allowed to enroll or requesting official transcripts.

## What is Satisfactory Academic Progress (SAP)?

Students who have applied for financial aid enter into an agreement to attend class and complete courses with a passing grade. Failure to complete required units, meet the minimum cumulative GPA requirement or exceed the maximum unit limit will result in disqualification from receiving further financial aid.

For more info please visit <https://www.peralta.edu/financial-aid/satisfactory-academic-progress>

## Do I have to reapply for financial aid every year?

Yes. The FAFSA Application is available October 1st each year. Make sure you include our school codes: Berkeley City College (014311), College of Alameda (006720), Laney College (001266) and Merritt College (001267)

## Is there a limit to how much financial aid I can receive?

Yes. The duration of a student's eligibility to receive a Federal Pell Grant is limited to 600% lifetime or its equivalent to 12 full-time semesters. Calculation of the duration of a student's eligibility includes all years of the student's receipt of Federal Pell Grant funding. Once a student has received a Federal Pell Grant for 12 full-time semesters (or its equivalent) the student will no longer be eligible for further Federal Pell Grant. For Cal Grants, students can receive for 8 full-time semesters or 400%.

## How is my financial aid disbursed?

Financial aid funds are disbursed through BankMobile Disbursements, a technology solution, powered by BMTX, Inc. These financial aid funds will first cover your current aid year charges in your Campus Solutions account. Any excess funds will be refunded to you for other educational expenses.

The Peralta Community College District uses BankMobile Disbursements for refunds. For more information, visit <https://disbursements.bmtx.com/refundchoices/>.

# Refund Information

## IT IS THE STUDENT'S RESPONSIBILITY TO DROP CLASSES!

Students are expected to attend all classes in which they are enrolled. If you do not attend, or stop attending classes, and fail to personally drop by the drop deadline, you will be responsible for all tuition and fees. Not attending classes does not warrant a refund of fees. It is the student's responsibility to drop all classes which they are not attending.

For specific refund dates, please visit [www.peralta.edu/admissions/student-finance/drop-refund](http://www.peralta.edu/admissions/student-finance/drop-refund)  
This includes the refund dates for Regular Session, Short-Term and Late Start Courses.

### Refund Procedure for Enrollment Fees

A student who cancels his/her registration prior to the first day of instruction, or officially withdraws from all classes during the first two weeks of instruction, shall be entitled to a full refund less a \$10 processing fee. (This must be done whether you attend the class or not.)

If a student pays an Enrollment Fee of less than \$10 and cancels his/her registration or withdraws from all classes before the deadline, the processing fee shall equal the Enrollment Fee.

No refund of the Enrollment Fee will be made to any student who withdraws from classes after the first two weeks of instruction.

A student may request a refund up to the end of the following term in which the refund was due. After that time, the student will not be eligible for the refund.

To apply for an enrollment fee refund, email an Application for Refund Request form at the Cashier's Office website.

<https://www.peralta.edu/admissions/student-finance/drop-refund>

Once the request is submitted, refund processing time is 4 to 6 weeks (after last day to add classes) during peak periods and 2 to 3 weeks during off peak periods.

Refund Procedure for Non-Resident Tuition and Capital Outlay Fee

*Students will receive a full refund for any class canceled by the college.*

### Refund Procedures for Health Fee

This fee is non-refundable unless all classes are dropped on or before the last day to drop regular session classes and receive a refund.

### Regular Session Classes

A 100% refund of Nonresident Tuition and Capital Outlay Fee (minus a \$10 processing fee) will be made for any class in which the student withdraws through the Last Day to Drop Regular Session Classes And Receive a Refund.

### Refund Procedure for Short-Term, Late Start and Open-Entry/Open-Exit Classes

A student enrolled in a short-term class will receive a 100% re-fund (minus a \$10 processing fee for residents) if he/she officially withdraws within the first 10% of the class length. No refunds will be issued after the first 10% of the class length.

For specific dates, please visit [www.peralta.edu](http://www.peralta.edu) and search Refund Drop Deadline Schedule. This includes the refund dates for regular session courses and short/late start courses.

### Refund Procedure for Variable Unit Classes

No refund shall be made for variable units not earned by the student.

The State-mandated Enrollment Fees will be fully refunded if an action of the college (e.g. class cancellation) prevents a student from attending class. A student may, upon request, obtain a refund up to the end of the following term in which the refund was due. After that time the student will not be eligible for the refund.

Please note: Instructors may drop students who do not attend the first class meeting but students are ultimately responsible for dropping themselves from any course they are not attending.

The Peralta Community College District participates in the State of California Chancellor's Office Tax Offset Program (COTOP). Past due accounts may be submitted to COTOP by the Peralta Community College District. This enables the State of California Franchise Tax Board to appropriately intercept any tax refunds, lottery winnings or unclaimed property that might be owed to you.

# Fees Information

---

## AC Transit EasyPass Fee

All Students taking six (6) or more units are required to pay an AC Transit EasyPass fee per semester, collected at the time of enrollment. The fee entitles eligible student to receive an AC Transit EasyPass Bus Pass for the semester. For more information and program updates visit: [www.peralta.edu/easypass](http://www.peralta.edu/easypass) or email [easyypass@peralta.edu](mailto:easyypass@peralta.edu).

## California Community College Enrollment Fee

All students are required to pay a California Community College Enrollment Fee of \$46 per unit for the semester, subject to legislative changes, including mid-year increases if State revenues fall below estimates, with students being informed before any fee increases take effect.

## Campus Center Use Fee

In addition to the California Community College Enrollment Fee, there will be a Campus Center Use Fee of \$2 per semester, per campus (excluding off campus locations), to be collected at the time of enrollment.

## Non-Resident Tuition

Students who are not residents of California for one year and one day prior to the first day of the term, or do not qualify for nonresident status known as "AB540," will be charged nonresident tuition. Nonresident tuition is charged at the rate of \$406 per unit for Fall semester plus the \$46 per unit California Community College Enrollment fee totaling, and \$452 per semester unit for Fall. A \$2 per semester, per Campus Center User fee will be charged.

## Capital Outlay Fee

Nonresident students of the State of California will be charged a Nonresident Capital Outlay Fee, in addition to the Nonresident Tuition, California Community College Enrollment Fee, and the Campus Center Use Fee. The Nonresident Capital Outlay Fee is \$0 per semester unit.

## Student Representation Fee

Under Education Code §76060.5, each college Student Body within Peralta CCD established a \$2.00 per college, per semester Student Representation Fee. This fee supports students or representatives presenting college positions or viewpoints before various government bodies. A fee waiver form must be submitted to the college Bursar's Office before the last day of the charged semester to avoid this charge.

## Health Fee

All students are required to pay the Student Health fee of \$23.00 per semester for Fall and Spring semesters (\$20 for Summer session). This fee will be collected at the time of enrollment. The Health fee is subject to change as allowed by the State Legislature. NOTE: Students who qualify in the following categories will be exempted from payment of the health fee.

1. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization (documentation required).
2. Students who are attending college under an approved apprenticeship training program.

## International Health Insurance Fee

All international students will be automatically enrolled in the mandatory health insurance program. For more information on current health insurance fees and links, please visit: <https://www.peralta.edu/health-services/> or to review AP 5030, please visit: <https://www.peralta.edu/boardoftrustees/bp-ap>

## Other Fees

During the Summer and Fall 2024 terms, there will be no fees for parking at College of Alameda, Laney College, or Merritt College. While there will be no fees, we are requesting that students obtain a parking permit from the college business or bursar's office. The permitting process is important for campus safety and security. Thank you for your cooperation. Previously, Daily parking was available at \$2.00 a day while Semester parking was available for \$40.00 in spring or fall semesters (\$10.00 for a motorcycle permit) and \$20.00 for summer session permit (\$5.00 for a motorcycle permit). We anticipate that fees for parking will return at some point in the future.

## Instructional and other Material Fees

The policy of the Peralta Community College District is that students may be required to provide instructional and other materials necessary for a credit or non-credit course provided such materials are of continuing value to the student outside the classroom setting and provided such materials are not solely or exclusively available from the district. Except as specifically authorized under the Education Code, students will not be required to pay a fee for any instructional or other materials required for a credit or non-credit course. Required materials are defined as those which a student must procure or possess as a condition of registration, enrollment or entry into a class, or any such materials which are necessary to achieve those required course objectives.

## Transcript Request

Peralta Community College District has retained Credentials, Inc to accept transcript orders Online through their secured site. You must pay transcript fees at the time you submit your request. The first two transcripts requested are free; thereafter, \$6.00 per copy for regular service, and mailed within 7-10 business days. See website for other expedited delivery options. <https://www.peralta.edu/admissions/transcripts>

## You Can Pay Fees By Credit Card Online

Students are encouraged to pay enrollment fees and past due fees by credit card on the secure Peralta website at [sa.peralta.edu](http://sa.peralta.edu).

# Fees Information (Continued)

## Installment Payment Plans:

Students in the Peralta Community College District may opt to pay their non-resident tuition or enrollment fee through an installment payment plan. Students who owe fees from the current or previous terms may opt to pay these fees through an installment payment plan. Students are required to pay at least the first \$25 of their owed fees and develop an installment payment plan prior to enrollment in classes. Students can only participate in one payment plan. New foreign students are required to pay at least the non-resident tuition for 12 units plus all other required fees for both the spring and fall semesters prior to enrollment in their first year classes. The payment plan will be interest free. The payment plan will include the specific amount and due date for each installment. All of the payments will be completed within the term for which the enrollment is made. Failure to make timely payments will subject the student to the penalty as described in board policy 5035 (students or former students

who have been provided with written notice that they have failed to pay a proper financial obligation shall have diplomas, – or registration privileges withheld until such time as the obligation is satisfied). Payment plans will not be approved for any outstanding financial aid obligations, NSF fees or any amount due to health insurance for international students. For more information on payment plans please refer to our website: <https://www.peralta.edu/admissions/student-finance/payment-plan> or email [paymentplan@peralta.edu](mailto:paymentplan@peralta.edu).

Students may correspond with us regarding their records through their Peralta email or personal email authorizing their passport student center. Emails that are not from students will be responded to with general information only and may delay requests.

# THE CA DREAM ACT

Financial aid is available for AB 540 students attending a California college or university.

## What is AB 540 and how do I obtain AB 540 status?

AB 540 allows non-resident students who meet certain qualifications to pay in-state tuition. You are an AB 540 eligible student if you meet all of the following criteria:

- Attended high school in California for three or more years
- Graduated or will graduate from a California high school
- Registered or enrolled in an accredited and qualifying California college or university
- If applicable, complete an affidavit to legalize immigration status as soon as you are eligible

To apply, visit [dream.csac.ca.gov](http://dream.csac.ca.gov)

The CA Dream Act Application will be available on **October 1st**.  
The deadline to submit the application is **March 2nd**.

# MAKE YOUR COLLEGE DREAMS COME TRUE!

The CADAA asks questions about you and your finances, so have the information below handy: Federal tax information, records of untaxed income, Cash, savings, and checking account balances, and investments other than the home in which you lived

# California College Promise Grant

The California College Promise Grant (formerly the BOG Fee Waiver) is available specifically for students at California community colleges. The California College Promise Grant will waive your per-unit enrollment fee (currently \$46) at any Peralta Community College.

If you believe you qualify for a California College Promise Grant Method A; submit the acceptable documentation to the Financial Aid Office. This Promise Grant will cover your enrollment fees for the entire academic year.

# Wait List FAQs - Frequently Asked Questions

---

During registration, if you try to register for a class that is full ("CLOSED"), you will be given the option to add to the wait-list for that class until the wait-list fills. Remember, being on a wait-list does not guarantee you a seat in a class. If seats become available, those on the wait-list will be enrolled in the order they were added to the list.

*Important: Passport will allow you to get on a wait-list, however, you will not be enrolled if you have any holds, time conflicts, repeat or prerequisite errors, duplicate courses, excessive units, or any type of registration error.*

## **Can anybody get on a Wait-list?**

Anyone can get on a wait-list if the wait-list for the class is available, but you will **ONLY** be enrolled in the class if:

1. You meet the class prerequisites
2. The class time does not conflict with another class in which you are already enrolled
3. You are not enrolled in another section of the same course
4. You have no repeat errors or holds on your record
5. The class units do not exceed your maximum allowed.

When the daily process runs and space in the class is available, if you are on the wait-list but do not meet the criteria above, instead of being automatically enrolled in the class you will remain on the wait-list.

## **Who gets into a class from a wait-list?**

If one seats become available, students will automatically be enrolled in the class in the order in which they were added to the wait-list as long as there are no errors or enrollment restrictions.

## **How do I know if I got into a class?**

If you are auto enrolled from the wait-list, you will be notified by email to your Peralta email account. Be sure to activate and monitor your Peralta emails during the registration period.

## **When do I pay for the class?**

Fees will be assessed after you enroll in a class and must be paid 2 weeks before the beginning of the term. If you do not pay your fees, you may be dropped from the class for non-payment. If you add after this deadline, you are required to pay the fees immediately or a hold WILL be placed on your account and your debt will be sent to collections. Students on a wait-list should monitor their Peralta email closely for enrollment notification.

## **What is the first day I can wait-list?**

Waitlists become available when a class reaches its enrollment capacity. Waitlisted classes are displayed in the online schedule of classes with a yellow triangle icon.

## **What is the last day I can be added to a wait-list?**

You can be added to a wait-list until the day before classes begin.

## **What prevents me from adding to a wait-list?**

- Enrollment appointment date/time has not yet been reached
- The last day to add to the wait-list has passed
- Class is not yet closed
- Wait-list is at its capacity
- You have reached the limit for waitlisted units (waitlisted and enrolled units cannot exceed 10 units in summer, and 18 units in fall and spring)

## **If an enrolled student drops a class and a seat opens up, do waitlisted students get the opportunity to enroll first?**

Yes. When a class is marked as closed only students from the wait-list can be enrolled. Before the first day of classes, a daily process runs to automatically enroll students from the wait-list. If all waitlisted students are successfully enrolled in the class and there are still seats available, the class will reopen. However, if all students from the wait-list are moved to the class filling the class to capacity, the class will remain closed and the wait-list will re-open.

If by the first day of class you are still on the wait-list, you will need to attend the first class meeting and obtain a permission number from your instructor in order to enroll in the class.

## **Can I be on the Wait-list for more than one section of the same class?**

Yes. You will be automatically enrolled in the section that becomes available first, depending on your position on the wait-list for each section.

## **How can I tell if a class has a wait-list?**

Waitlisted classes are marked by a yellow triangle in the online schedule of classes.

## **How do instructors know who is on the wait-list?**

Class waitlists are available to instructors through class rosters.

## **Can a student be both enrolled and waitlisted for different sections of the same class?**

Yes, but they cannot be enrolled in both. A student can be enrolled in the open section of a class and at the same time be on the wait-list for a different section of that same class (maybe the waitlisted section was their first choice, but it has reached capacity). However, a student will not be auto enrolled in the waitlisted section when a seat becomes available, even if they are eligible. In this instance, they will need to drop themselves from the section they are currently enrolled.

## **How will I move from the wait-list into the class?**

During the registration period before classes begin, you are automatically enrolled as space becomes available. After classes begin, instructors are required to issue permission numbers. You use the class permission number to enroll in the class via Campus Solutions or by going to the Admissions and Records office at the college.

## **Is there a limit to the number of units that can be waitlisted?**

Yes. Your waitlisted units and enrolled units cannot exceed 10 units in summer and 18 units in fall and spring.

## **Are waitlisted units counted into my total units for the term?**

No. Enrolled units and waitlisted units are counted separately. Waitlisted courses are not counted towards full-time status or calculated for fees.

## **Will I be charged the enrollment fee when I add to the wait-list?**

No. You are only charged the appropriate fees when you are officially enrolled in the class.

## **Can I drop myself from a wait-list?**

Yes. You can drop yourself from a Wait-list using Drop Classes in Campus Solutions.

## **Can I see my position on a wait-list?**

You can view your wait-list position in Campus Solutions. Click the Manage Classes tile and review the information in the View My Classes section.

## How to use a Permission Number

You may add regular session (full term) classes, where space is available, using Campus Solutions the first day of class and through Sunday of that week. After the first week of classes, you may only add a regular session class by obtaining a permission number from the instructor.

You will need only the permission number for online enrollment through Campus Solutions. You will need the permission number and signature on an ADD CARD FORM to enroll in-person.

You are responsible for registering yourself in the class via Campus Solutions with the permission number in person at the College Admissions and Records office by the last day to add for the term.

### How do I obtain a permission number?

To obtain an instructor permission number you must attend a class meeting and/or e-mail the instructor. If space is available, the instructor may provide the required permission number.

### How do I use the permission number to enroll?

To enroll online, log in to Campus Solutions and follow the regular enrollment steps. If a permission number is required, you will be prompted to provide it during the enrollment process (see adding a class with a permission number instructions). To enroll in person, you will need to fill out an add card form and obtain the permission number and instructor signature.

### How do wait-listed students use a permission number?

A waitlisted student needs to follow the regular enrollment process and add the permission number during Step 2 (Review Class Preferences).

### Do permission numbers override a course pre-requisite or enrollment hold?

No. Similar to auto-enrolling from a waitlist, permission numbers only allow you to enroll if you have met the requisites and have no holds on your account.

# Prerequisite/Corequisite Policy & Procedures

---

## Prerequisites

Some courses have prerequisites: faculty have determined that students are highly unlikely to succeed in these courses unless they have acquired a certain level of skills or knowledge, usually through taking another course beforehand. The prerequisites for each course are listed in the class schedule.

When you attempt to enroll Online in a course with a prerequisite, the system checks your academic records for evidence that you have taken or are taking the prerequisites at one of the Peralta Colleges.

1. If you have taken the prerequisites at a Peralta College after 1987 and have received a grade of C or better in it, you are allowed to enroll.
2. If you are currently taking the prerequisites, you are allowed to enroll conditionally until your grade is received. If your grade in the prerequisites is below a C, you will be automatically dropped from the higher level course. You will be informed of this by Peralta email.
3. If you have met the prerequisites through a course taken at another college, you will need to submit proof to the counseling department.
4. If you feel the prerequisite has been met through assessment at another institution, and you have either your scores and placement recommendations or a transcript showing the courses you assessed into and enrolled in, or through other means, (this is referred to as "Multiple Measure Assessment" in the class schedule), please see a counselor. The counselor will look at your test scores and discuss your preparation for the course. If the counselor determines that you have met the prerequisites, he/she will clear you for the course and you will be allowed to enroll.
5. If you feel that you have met the prerequisites through your life experience, or you believe that the prerequisites is unnecessary or unlawful, go to the admissions office to complete and sign a Petition for Prerequisite Challenge. You will immediately be cleared to enroll, pending review of your petition by faculty. If your challenge is approved you will remain in the class. If your petition is denied, you will be dropped from the class. You will be informed of this by phone. Challenge petitions must be approved or denied within five working days of the day they were filed. If your petition is not reviewed within five working days, you will remain in the class.

## Co-requisites

Some courses have co-requisites: faculty have determined that students are highly unlikely to succeed in these courses unless they enroll in the co-requisite course at the same time. The co-requisites for each course are listed in the class schedule.

If you enroll in a course with a co-requisite, make sure to enroll in the co-requisite course as well. (If you have previously taken the co-requisite course and obtained a grade of C or better, you don't need to enroll in it again).

## Open Classes

It is the policy of the Peralta Community College District that, unless specifically exempted by statute, every course, sections or classes, the average attendance of which is to be reported for state aid, wherever offered and maintained by the District, shall be fully opened to enrollment and participation by any person who has been admitted to the College and who meets such prerequisites as may be established pursuant to Chapter II, Division 2, Part VI, Title 5 of the California Administrative Code, commencing with Section 51820.

## Student Study Load

In order to complete an Associate in Arts or Associate in Science degree at one of the Peralta Colleges in two years, an average unit load of 15 units per term is often necessary. Students may not carry more than 18 units (including a combined total of all Peralta Colleges) without prior approval of a counselor. Counselor approval is required for excess units up to 21.5 units. Enrollment in 22 to 25 units requires approval of the Dean of Student Services. Under no circumstances will approval be granted beyond 25 units. The maximum number of units for the Summer Session is ten (10). For college purposes, a full-time student is one who is carrying 12 or more units. Students are not permitted to enroll in classes with conflicting or overlapping meeting times.

# College District Policies

---

For a complete list of Board Policies, go to <https://www.peralta.edu/boardoftrustees/bp-ap>

## **BOARD POLICY 3410 NONDISCRIMINATION**

The District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, sex or gender, gender identity, race or ethnicity, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, active duty military and veterans, pregnancy, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor shall establish administrative procedures that ensure all members of the college community or persons using the services of the district can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, sex or gender, race, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, active duty military and veterans, pregnancy, or because he or she is perceived to have one or more of the foregoing characteristics, or because of his or her association with a person or group with one or more of these actual or perceived characteristics.

## **Administrative Policy 3410 Nondiscrimination - Educational Programs and other Services**

The District shall provide access to its services, classes and programs without regard to, national origin, religion, age, sex or gender, gender identification, race or ethnicity, color, medical condition, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy or because he/she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

- A. All classes, including credit, noncredit and not- for-credit, shall be conducted without regard to the gender of the student enrolled in the classes. As defined in the Penal Code, "gender" means sex, and includes a person's gender identity and gender- related appearance and behavior whether or not stereotypically associated with the person's assigned sex at birth.
- B. The District shall not prohibit any student from enrolling in any class or course on the basis of gender.
- C. Academic staff, including but not limited to counselors, instructors and administrators shall not offer program guidance to students which differs on the basis of gender.
- D. Insofar as practicable, the District shall offer opportunities for participation in athletics equally to male and female students.

## **BOARD POLICY 3433 PROHIBITION OF SEXUAL HARASSMENT UNDER TITLE IX**

All forms of sexual harassment are contrary to basic standards of conduct between individuals. State and federal law and this policy prohibit sexual harassment and the District will not tolerate sexual harassment. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation including acts of sexual violence.

The District seeks to foster an environment in which all employees, students, applicants for employment, and applicants for admission feel free to report incidents of sexual harassment in violation of this policy and Title IX, without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of sexual harassment in violation of this policy and Title IX or for participating, or refusing to participate, in a sexual harassment investigation. The District will investigate all allegations of Title IX retaliation swiftly and thoroughly. If the District determines that someone has retaliated, it will take reasonable steps within its power to stop such conduct. Individuals who engage in Title IX retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any employee, student, applicant for employment, or applicant for admission who believes he/she/they has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3434 Responding to Harassment Based on Sex under Title IX. The District requires supervisors to report all incidents of harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities, and compensation. To this end, the Chancellor shall ensure that the institution undertakes education and training Activities to counter sexual harassment and to prevent, minimize, or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.

The Chancellor shall establish procedures that define sexual harassment on campus. The Chancellor shall further establish procedures for employees, students, and other members of the campus community that provide for the investigation and resolution of complaints regarding sexual harassment in violation of this policy, and procedures to resolve complaints of sexual harassment in violation of this policy. State and federal law and this policy prohibit retaliatory acts against all participants by the District, its employees, students, and agents.

The District will publish and publicize this policy and related written procedures (including the procedure for making complaints) to administrators, faculty, staff, students, applicants for employment, and applicants for admission, particularly when they are new to the institution. The District will make this policy and related written procedures (including the procedures for making complaints) available in all administrative offices and will post them on the District's website.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion. Volunteers or unpaid interns who violate this policy and related procedures may be subject to disciplinary measure up to and including termination from the volunteer assignment, internship, or other unpaid work experience program.

## **Board Policy 3430 Prohibition of Unlawful Harassment**

---

The District is committed to providing an academic and work environment free of unlawful harassment. This procedure defines sexual harassment and other forms of harassment on campus, and sets forth a procedure for the investigation and resolution of complaints of harassment by or against any staff or faculty member or student or unpaid interns and volunteers within the District.

### **I. Definitions**

#### **A. General Harassment**

Harassment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation of any person, or military or veteran status, or the perception that a person has one or more of these characteristics is illegal and violates District policy. Harassment shall be found where, a reasonable person with the same characteristics as the victim of the harassing conduct would be adversely affected to a degree that interferes with his or her ability to participate in or to realize the intended benefits of an institutional activity, employment or resource.

For sexual harassment under Title IX, Complainants must proceed under BP 3433 Prohibition of Sexual Harassment under Title IX, AP 3433 Prohibition of Sexual Harassment under Title IX, and AP 3434 Responding to Harassment Based on Sex under Title IX. For other forms of sexual harassment or gender-based harassment, Complainants should use this procedure.

Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment if it meets the definition above. For example, repeated derisive comments about a person's competency to do the job, when based on that person's gender, could constitute gender-based harassment. Harassment comes in many forms, including but not limited to the following conduct that could, depending on the circumstances, meet the definition above, or could contribute to a set of circumstances that meets the definition:

#### **B. Verbal**

Inappropriate or offensive remarks, slurs, jokes or innuendos based on a person's race gender, sexual orientation, or other protected status. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats or intimidation; or sexist, patronizing or ridiculing statements that convey derogatory attitudes based on gender, race nationality, sexual orientation or other protected status.

#### **C. Physical**

Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person's gender, race, national origin, sexual orientation or other protected status.

#### **D. Visual or Written**

The display or circulation of visual or written material that degrades

an individual or group based on gender, race, nationality, sexual orientation or other protected status. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics or electronic media transmissions.

#### **E. Environmental**

A hostile academic or work environment may exist where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation or other protected status; or gratuitous comments regarding gender, race, sexual orientation, or other protected status that are not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. It can also be created by an unwarranted focus on, or stereotyping of, particular racial or ethnic groups, sexual orientations, genders or other protected statuses. An environment may also be hostile toward anyone who merely witnesses unlawful harassment in his/her/their immediate surroundings, although the conduct is directed at others. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work.

#### **F. Sexual Harassment**

In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature made by someone from, or in, the work or educational setting when:

1. Submission to the conduct is explicitly or implicitly made a term or condition of an individual's employment, academic status, progress, internship, or volunteer activity;
2. Submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
3. The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment (as more fully described below); or
4. Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.
5. This definition encompasses two kinds of sexual harassment:
  - a. "Quid pro quo" sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct.
  - b. "Hostile environment" sexual harassment occurs when unwelcome conduct based on a person's gender alters the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance, or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile. A single isolated incident of sexual harassment may be sufficient to create a hostile environment if it unreasonably interfered with the person's academic or work performance or created an intimidating, hostile, or offensive learning or working environment.
  - c. Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

## II. Consensual Relationships

Romantic or sexual relationships between supervisors and employees, or between administrators, faculty members or staff members and students are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty members or staff member must evaluate the student's or employee's work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. In the event that such relationships do occur, the District has the authority to transfer any involved employee to eliminate or attenuate the supervisory authority of one over the other, or of a teacher over a student. Such action by the District is a proactive and preventive measure to avoid possible charges of harassment and does not constitute discipline against any affected employee.

## III. Academic Freedom

No provision of this Administrative Procedure shall be interpreted to prohibit conduct that is legitimately related to the course content, teaching methods, scholarship, or public commentary of an individual faculty member or the educational, political, artistic, or literary expression of students in classrooms and public forums. Freedom of speech and academic freedom are, however, not limitless and this procedure will not protect speech or expressive conduct that violates federal or California anti-discrimination laws.

## Administrative Procedure 3540 Sexual and Other Assaults on Campus

---

1. The District and the Colleges shall make available sexual assault awareness information to students and employees.
2. Any sexual assault or physical abuse, including, but not limited to, rape, as defined by California law, whether committed by an employee, student, or member of the public, occurring on District property, in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District's facilities or at another location, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization, is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures (See also AP 5500 Standards of Student Conduct).
3. It is the responsibility of each person involved in sexual activity to ensure that he or she has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent. "Affirmative consent" means affirmative, conscious, and voluntary agreement to engage in sexual activity.
4. These written procedures and protocols are designed to ensure victims of domestic violence, dating violence, sexual assault, or stalking receive treatment and information. (For physical assaults/violence, see also AP 3500, 3510, 3515).
5. All students, faculty members or staff members who allege they are the victims of domestic violence, dating violence, sexual assault, or stalking on District property shall be provided with information regarding options and assistance available to them. Information shall be available from the Peralta Safety & Security Services, which shall maintain the identity and other information about alleged sexual assault victims as confidential unless and until Peralta Safety & Security Services is authorized to release such information.
6. Safety & Security Services shall provide all alleged victims of domestic violence, dating violence, sexual assault, or stalking with a copy of the District's policy and administrative procedure regarding domestic violence, dating violence, sexual assault, or stalking upon request, and the importance of preserving evidence and the identification and location of witnesses.
7. Victims will be provided the option to:
  - (1) notify proper law enforcement authorities, including on campus security and local police;
  - (2) be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; or
  - (3) decline to notify such authorities;
8. The victim will be provided a description of the following procedures:
  1. Criminal prosecution;
  2. Civil prosecution (i.e., lawsuit);
  3. District disciplinary procedures, both student and employee;
  4. Modification of class schedules; and
  5. Tutoring, if necessary.
9. The District will investigate all complaints alleging sexual assault under the procedures for sexual harassment investigations described in AP 3434 Responding to Harassment Based on Sex under Title IX, regardless of whether a complaint is filed with local law enforcement. All alleged victims of domestic violence, dating violence, sexual assault, or stalking on District property shall be kept informed, through Safety & Security Services, of any ongoing investigation. Information shall include the status of any student or employee disciplinary proceedings or appeal; alleged victims of domestic violence, dating violence, sexual assault, or stalking are required to maintain any such information in confidence, unless the alleged assailant has waived rights of confidentiality consistent with state and federal law.
10. A Complainant or witness who participates in an investigation of sexual assault, domestic violence, dating violence, or stalking will not be subject to disciplinary sanctions for a violation of the District's student conduct policy at or near the time of the incident, unless the District determines that the violation was egregious, including but not limited to, an action that places the health or safety of any other person at risk or involves plagiarism, cheating, or academic honesty.
11. In the evaluation of complaints in any disciplinary process, it shall not be a valid excuse to allege lack of affirmative consent that the accused believed that the complainant consented to the sexual activity under either of the following circumstances:
  - (1) The accused's belief in affirmative consent arose from the intoxication or recklessness of the accused
  - (2) The accused did not take reasonable steps in the circumstances known to the accused at the time, to ascertain whether the Complainant affirmatively consented.
12. In the evaluation of the complaints in the disciplinary process, it shall not be a valid excuse that the accused believed that the Complainant affirmatively consented to the sexual activity if the accused knew or reasonably should have known that the Complainant was unable to consent to the sexual activity under any of the following circumstances:
  - (1) The Complainant was asleep or unconscious.
  - (2) The Complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the Complainant was unable to communicate due to a mental or physical condition.
13. The District shall maintain the identity of any alleged victim or witness of domestic violence, dating violence, sexual assault, or stalking on District property, as defined above, in confidence consistent with state and federal law, unless the alleged victim or witness specifically waives the right to confidentiality. All inquiries from reporters or other media representatives about alleged domestic violence, dating violence, sexual assaults, or stalking on District property shall be referred to the District's Public Information Office, which shall work with Peralta Police Services to assure that all confidentiality rights are maintained consistent with state and federal law.

14. Additionally, the Annual Security Report will include a statement regarding the District's programs to prevent sexual assault, domestic violence, dating violence, and stalking and procedures that should be followed after an incident of domestic violence, dating violence, and stalking has been reported, including a statement of the standard of evidence (preponderance of evidence) that will be used during any district proceeding arising from such a report. The statement must include the following:

- (1) A description of educational programs to promote the awareness of rape, acquaintance rape, other forcible and non-forcible sex offenses, domestic violence, dating violence, or stalking;
- (2) Procedures to follow if a domestic violence, dating violence, sex offense or stalking occurs, including who should be contacted, the importance of preserving evidence to prove a criminal offense, and to whom the alleged offense should be reported.
- (3) Responses to stranger and non-stranger sexual assault;
- (4) The preliminary victim interview, including the development of a victim interview protocol, and a comprehensive follow-up victim interview, as appropriate;
- (5) Contacting and interviewing the accused;
- (6) Seeking the identification and location of witnesses;
- (7) Information on a student's right to notify appropriate law enforcement authorities, including on-campus and local police, and a statement that campus personnel will assist the student in notifying these authorities, if the student so requests, and the right to decline to notify these authorities;
- (8) Written information and notification for students about existing on- and off- campus counseling, mental health, victim advocacy, legal assistance, or other services for victims and contact information;
- (9) Participation of victim advocates and other supporting people;
- (10) Investigating allegations that alcohol or drugs were involved in the incident;
- (11) The role of the institutional staff supervision;
- (12) A comprehensive trauma-informed training program for campus officials involved in investigating and adjudicating sexual assault, domestic violence, dating violence, and stalking cases;
- (13) Written notification of victims about options for, and available assistance in, changing academic, living, transportation, and working situations, if requested and if such accommodations are reasonably available, regardless of whether the victim chooses to report the crime to Peralta Police Services or local law enforcement.
- (14) Procedures for campus disciplinary action in cases of an alleged domestic violence, dating violence, sexual assault, or stalking, including a clear statement that:
  - a. Such proceedings shall provide a prompt, fair, and impartial resolution;
  - b. Such proceedings shall be conducted by officials who receive annual training on the issues related to domestic violence, dating violence, sexual assault, and stalking and how to conduct an investigation and hearing process that protects the safety of the victim and promotes accountability;
  - c. The accuser and the accused must be informed of the outcome of any institutional disciplinary proceeding resulting from an alleged domestic violence, dating violence, sexual assault or stalking, the procedures for the accused and victim to appeal the results of the disciplinary proceeding, of any changes to the results that occur prior to the time that such results become final, and when such results become final. Compliance with this paragraph does not violate the Family Educational Rights and Privacy Act. For the purposes of this paragraph, the outcome of a disciplinary proceeding means the final determination with respect to the alleged domestic violence, dating violence, sex offense, or stalking and any sanction that is imposed against the accused.
- (15) A description of the sanction the campus may impose following a final determination by a campus disciplinary proceeding regarding rape, date rape, or other forcible or non-forcible sex offenses, domestic violence, dating violence or stalking.

15. Education and Prevention Information Safety & Security Services shall:

01. Provide, as part of each campus' established on-campus orientation program, education and prevention information about domestic violence, dating violence, sexual assault, and stalking. The information shall be developed in collaboration with campus-based and community-based victim advocacy organizations, and shall include the District's sexual assault policy and prevention strategies including empowerment programming for victim prevention, awareness raising campaigns, primary prevention, bystander intervention, and risk reduction.
02. Post sexual violence prevention and education information on the campus Internet website regarding domestic violence, dating violence, sexual assault and stalking.

Please note:

For additional information and resources on sexual assault, domestic violence, dating violence, and stalking in the educational/campus environment, the Department of Justice has established a clearinghouse of resources geared towards colleges and universities, which can be accessed at the California Attorney General's website.

## Campus Safety & Security Mission Statement

The District is committed to a community-based security service model focusing on personal engagement between the security team, students, faculty, staff, and administration. Peralta Department of Public Safety Services is responsible for protecting the lives and property of students, employees, and visitors. Our mission is to preserve the peace, maintain order, and enforce state, federal, and local laws. Our goal is to provide a safe environment so that the educational process can be conducted in an orderly and uninterrupted manner. Campus Public Safety partners focus on working with students, faculty, and staff in addressing the problems and/or concerns identified with safety and security.

We currently have a contract with Marina Security Services that cover the 4 Peralta Colleges, plus the District Service Center (DSC).

To contact Peralta's Public Safety Services, please call (510) 466-7236

## Crime Prevention

Crime prevention can be enhanced by the vigilance and engagement of the entire community: faculty, staff, and students. Willingness to look out for each other and to report unusual situations and suspicious activities can improve safety and security for everyone.

## Weapons Policy

The unauthorized use, possession, or storage of weapons, fireworks, or explosives is prohibited on the Peralta Community College District (PCCD) premises, at any PCCD-sponsored activity, or in vehicles parked on the premises. Weapons are defined as including, but not limited to, firearms, pellet guns, bows and arrows, martial arts equipment, switchblade knives, swords, large knives, clubs, and other blunt force instruments.

## Health Services

Peralta Health Services will be at Laney College (for all PCCD students). On-site counselors will provide mental health services at each college. General service information is provided on the District Health Services website at <https://www.peralta.edu/health-services/>. Students should access individual college health services websites for scheduling and appointment times.

## Jeanne Clery Disclosure

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act, codified at USC 1092(f) as part of the Higher Education Act of 1965, is a federal law that requires all colleges and universities to keep and disclose information timely and annually about specific crime on and near their respective campuses. These crime statistics can be found in the Peralta Community College Personal Safety Handbook at <https://www.peralta.edu/campus-public-safety/personal-safety-handbooks> and also in the more comprehensive Annual Security Report (A.S.R.) found at <https://www.peralta.edu/campus-public-safety/annual-security-report>.

## Annual Security Report

The Peralta Community College District (PCCD) Annual Security Report (A.S.R.) is provided in accordance with the Crime Awareness and Campus Safety Act of 1990 and subsequent amendments, which led to its renaming the Jeanne Clery Act in 1998.

The A.S.R. is part of ongoing efforts to inform you of the safety programs and services available and the crimes reported to the Peralta Sheriff's Department, local police partners, and other campus security personnel. It also contains information about proactive steps you can take to help maintain a safe and secure campus for everyone.

## Parking & Traffic Regulations

*During the Summer and Fall 2024 terms, there were no fees for parking at College of Alameda, Laney College, or Merritt College. However, Peralta is looking to resume parking enforcement as outlined below in January 2025.*

All provisions of the California Vehicle Code apply to individuals and vehicles being driven on and about campus property and parking lots. All vehicle codes, including 21113 C.V.C., are strictly enforced. The speed limit is five (5) m.p.h. in campus parking lots and property. Students may only park in designated student parking areas.

Persons must obey all California Vehicle Codes and carefully read and follow the campus parking and traffic signage. Illegally parked vehicles will be cited and/or towed at the owner's expense. For towed vehicles, contact Peralta Department of Public Safety Services at (510) 466-7236  
*College officials do not have the authority to rescind or arbitrate citation matters.*

Students must not park in staff parking areas, red zones, yellow (loading zones), green 30-minute zones, or other unauthorized areas. Disabled student parking areas are available and posted with blue paint and handicapped accessible parking signs.

"Handicap Accessible" signs indicate that the area is accessible to persons with disabilities; they do not mean that it is designated for "Handicapped Parking."

Disabled students must also correctly display their daily or semester parking permit (and a Student ID. Decal if they attend Laney) along with their D.M.V.-issued handicap placard and/or handicap license plate. Staff must adequately display their staff parking permit along with their D.M.V.-issued disabled placard and/or disabled plate.

Daily parking permits expire at 10:45 p.m. each night, and the parking lot gates are locked and secured at 11:00 p.m. Overnight parking is not authorized, and vehicles will be towed at the owner's expense. (Contact Peralta Safety Services for towed vehicles at (510) 466-7236.

Visitors may park in the green 30 minutes zones at Merritt and College of Alameda if they are staying only 30 minutes or less. Visitors may park lawfully on the street at campuses with street parking (metered zones require coinage). Special guest permits may be obtained through the business offices and the Department of General Services in the District Services Center (D.S.C.).

Semester parking permits may be obtained for students parking at Laney, Merritt, and College of Alameda campuses in the Business Office or the Bursar's Office for each campus.

In addition to the daily parking permits, Laney College students must correctly display a "STUDENT ID. DECAL" (hanging from the rear-view mirror with the numbered side facing outward) in order to park in a student parking lot, or you will be cited.

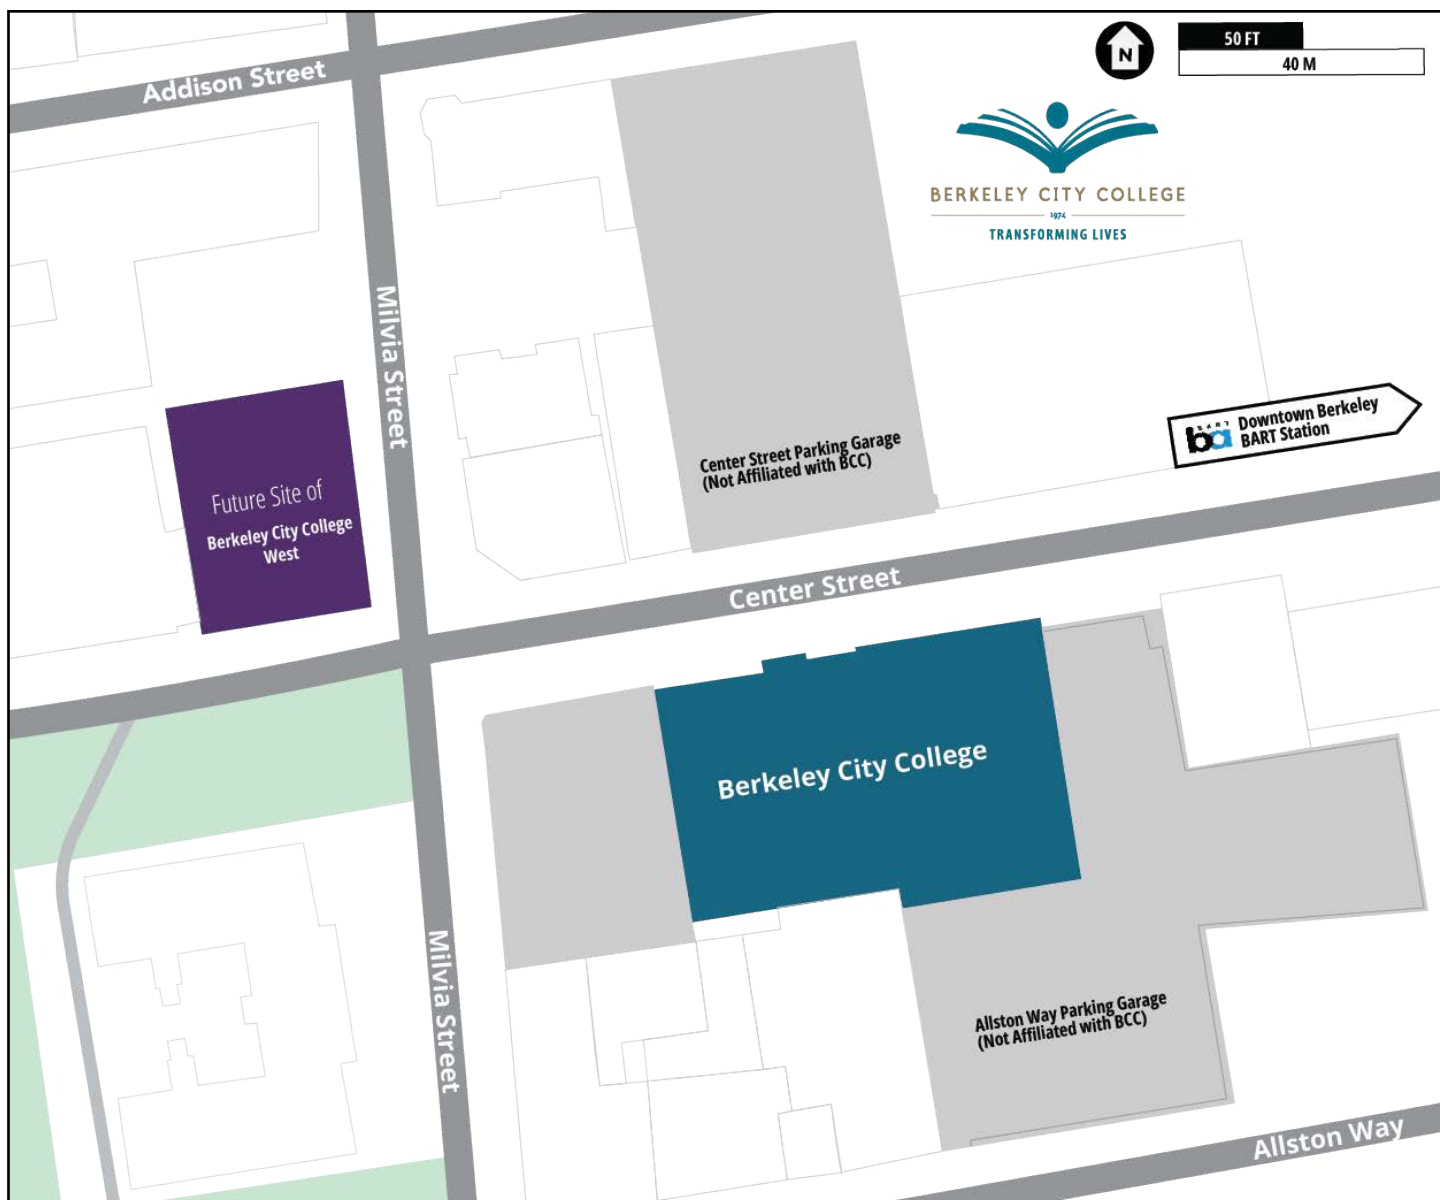

Student ID. Decals are issued initially at no charge and can be obtained from the Cashier's Office. (There is a \$10.00 replacement cost for lost or stolen Student ID. Decals).

Unlike Laney, Merritt, and College of Alameda, Berkeley City College has no parking lot. Therefore, Berkeley City College does not honor parking stickers from other Peralta Colleges. There is no designated public parking lot at Berkeley City College.

## Safety Tips

- Keep vehicles, offices, classrooms, and other areas secured when practical.
- Keep valuable and/or easily portable items secured when possible
- Keep keys and emergency communication systems readily available
- Choose routes and locations that are better-lit, more familiar, and more secure when available.
- Travel, work, and study with potential assistance nearby when possible
- Analyze surroundings for opportunities to escape, hide, and obtain help and witnesses
- Analyze surroundings for potential criminal access, ambush, and activity
- Know the locations of emergency phones
- Know the locations and call numbers of emergency responders
- Practice describing people and events in a way that supports appropriate responses by others
- Opt-in for safety and security alert systems
- Notify others when working at unusual times or in unusual locations

*Questions, suggestions, or concerns regarding campus safety and security may be directed to the Dispatch Office at (510) 466-7236. Your problems will be treated with confidentiality and care.*
